# COLORADO FARM FRESH DIRECTORY

Your guide to farmers' markets, roadside stands, u-picks, restaurants and

Thank you for choosing the **2023 Farm Fresh Directory**. We know Coloradans care about where their food comes from and luckily for all of us, the food grown and raised here in our state is nutritious, diverse, and produced with a commitment to consumer safety and satisfaction.

This directory is a great place to start your search for locally grown and raised products. If you're looking to support your local farmers and bolster your connection to the land and the food grown and raised in Colorado, the **Farm Fresh Directory** is a go-to resource.

This directory helps Coloradans find their nearest farmers market, a Community Supported Agriculture (CSA) vendor, u-picks, wineries, or other places to meet your local farmer. By connecting neighbors, we're helping Colorado customers shorten the distance between where their food is grown and where it is consumed.

By supporting our local farmers, ranchers, and other food producers you are helping Colorado sustain our food supply chain, increase market opportunities for local producers, and enable your community to access local, fresh food grown by our neighbors. Through this publication, producers connect directly with you, the consumer, to increase our connection to each other and strengthen our community ties.

In addition to the numerous farms, ranches and farmers' markets listed in this directory, the Colorado Department of Agriculture would like to acknowledge the following organizations for their generous support of **Farm Fresh**:

Denver Metro Farmers' Market, Longmont Dairy Farm, Miller Farms, Rock River Ranches and Royal Crest Dairy (cover sponsors), Anderson Farms, Castle Rock Farmers' Market, Centennial Farms/Ranches Program, Colorado Farmers' Market Association, Colorado Fruit & Vegetable Growers Association, Colorado Grain Chain, Colorado Proud, Colorado Wine Industry Development Board, Elevation Mountain Grown Herbal Tea, LLC, Mauro Farms & Bakery, Three Sisters Farm and Dairy.

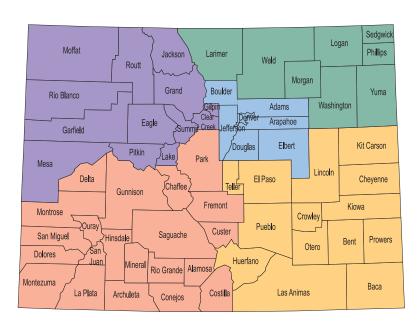

Thank you to **Colorado State University Extension** for contribution of information and assistance in publicizing and distributing this directory.

Additionally, we are grateful to Colorado's many libraries, welcome centers, chambers of commerce and private businesses including Royal Crest Dairy and Longmont Dairy Farm who helped get this directory into your hands.

I hope you take this directory with you as you enjoy summer in our incredible state. As you travel across Colorado, search out those smaller stands and farms that might not be on your regular list of places to visit. Tell the sellers you found them through the CDA Farm Fresh directory and thank them for the work they do each day to provide Colorado with fresh produce, locally raised meat, and all the delectable food products we produce right here in our state.

Happy eating!

Farm Fresh listings are organized by five major regions of the state: Denver Metro, Northeast, Southeast, Southwest and Northwest. Within each region, farms and markets are listed alphabetically by county.

Farmers' markets are identified with a special icon  $\stackrel{\frown}{=}$ . There is also a separate listing of farmers' markets at the center of the book (40-41).

Farms currently certified organic are marked with this icon and new listings are marked with icon. Wineries and tasting rooms are marked with icon, farms and ranches with a icon offer agricultural tours. Colorado Proud members are marked with the logo.

Restaurants are identified with  $\bowtie$  icon. Suppliers of two highly-requested seasonal items, pumpkins  $\Leftrightarrow$  and Christmas trees  $\clubsuit$ , are also marked with special icons.

Every effort has been made to locate farms, ranches and farmers' markets that sell direct to the public. If you know of an outlet that we have missed, please contact:

Our Red Barn Ranch is on 40 acres of rolling prairie. We are located 2 miles south of the town of Calhan, northeast of Colorado Springs. We are about two miles from The Paint Mine Interpretive Park. We are a family-oriented farm and welcome all. We offer hands-on interaction with our herd of 25 alpacas, 2 llamas, 3 angora goats, Dorper sheep and lambs, barn kittens, pet chickens and even a turkey! You will learn about the history of alpacas, angora goats and what we do with their fleece. We also raise Colorado Mountain Dogs. They have full reign of the property, so please leave your pets at home.

# Farmers' Market Food Safety Tips

Farmers' markets are the perfect setting for supporting local agriculture and sampling Colorado's flavorful variety of fresh produce. Get to know market vendors and artisans while shopping for a wide variety of fresh, locally grown foods.

- o Shop in good health and with clean hands. Only touch what you plan to buy.
- o Remember to bring shopping bags. Wash reusable bags regularly to protect your farmers' market purchases.
- o For optimal quality and to prevent cross-contamination between potentially hazardous foods:
  - o Use separate bags for hot foods (roasted peppers), cold foods (cheese, eggs), and fresh produce.
  - Place raw meat and poultry in individual bags to prevent them from contaminating ready-to-eat foods, like baked products or fresh fruits and vegetables.
- o **Visit Food Smart Colorado** (https://foodsmartcolorado.colostate. edu/) for additional information related to using and enjoying Colorado grown produce.
- More information is available here: Shopping at Colorado
   Farmers' Markets (https://extension.colostate.edu/docs/pubs/foodnut/09379.pdf)
- o Consider purchasing extra produce to preserve and enjoy throughout the year.

Use CSU Extension's **Preserve Smart** (https://apps.chhs.colostate. edu/preservesmart/) to determine the elevation of your kitchen and find tested preservation recipes for over 50 types of fruits and vegetables.

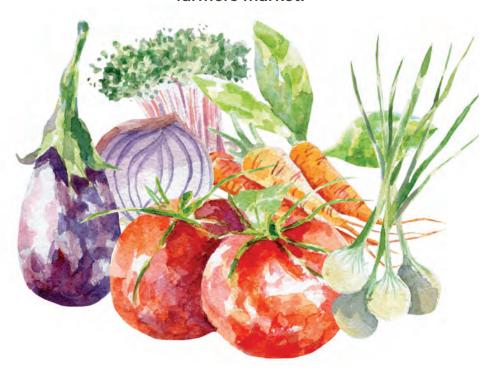

# FROM OUR STATE TO YOUR PLATE, THIS IS COLORADO PROUD.

When you buy local foods you help the Colorado ranchers and farmers who grow, raise and make the foods that are brought to families tables across Colorado.

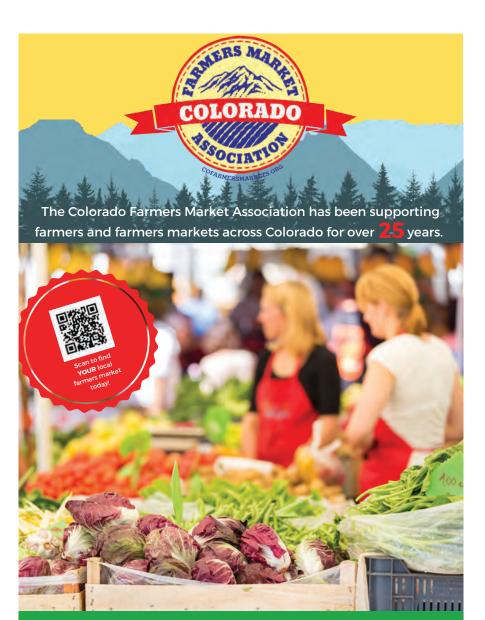

Don't forget to look for the Colorado Proud logo when you are out shopping at your local farmers market.

#### What is Colorado Proud?

The Colorado Proud Program was created by the Colorado Department of Agriculture in 1999 to raise consumer awareness of the benefits of buying locally grown, raised and produced products. This organization strives to make it easier for consumers to identify and purchase Colorado Proud products.
