Statistical Bulletin

April 22, 2013

Immigration and Customs Enforcement (I.C.E.)

Inmates are evaluated at the Denver Reception and Diagnostic Center and foreign-born inmates are identified for further screening at a later date if there is indication that an inmate may meet deportation criteria. The U.S. Bureau of Immigration and Customs Enforcement (I.C.E.) is contacted when these inmates get close to community or parole eligibility or have a scheduled release date approaching. I.C.E. places an active detainer for those inmates that meet their deportation criteria and the inmates are transferred to their custody upon release from prison.
