

2024 Annual Report to the House and Senate Education Committees

Findings of the Review

Pursuant to C.R.S 22-30.5-513(10)(a), CSI reports on its annual appropriations, costs incurred, and services. CSI hosted an in-person regular Board Meeting with a virtual option on June 11, 2024. The meeting was open to the public and school leaders and school board members were encouraged to attend. The meeting was recorded and available upon request and all materials are posted publicly. CSI staff disseminated and discussed the CSI budget for the 2024-2025 fiscal year. This included a review of appropriations, expenditures, and services provided by CSI.
