EXPELLED AND AT-RISK STUDENT SERVICES (EARSS) PROGRAM

The “Services to Expelled Students” grant program was enacted by the Colorado state legislature in 1997 and amended in 2000 to add services for students at-risk of expulsion. Funds are annually appropriated to the Colorado Department of Education for the purpose of making grants to school districts, alternative schools within school districts, charter schools, BOCES, non-profit, non-parochial schools, and facility schools. Grants are awarded on a competitive basis for a 4-year award period.

The FY12 state appropriation is \$7,493,560. For the 2011-12 school year, twelve new grantees were awarded and forty three continuation awards were made to grantees in years 2-4.
