# EXPELLED AND AT-RISK STUDENT SERVICES (EARSS) PROGRAM

The “Services to Expelled Students” grant program was enacted by the Colorado state legislature in 1997. It was amended in 2000 to add services for students at-risk of expulsion and renamed as “Expelled and At-Risk Student Services.” Funds can also support increasing school attendance for students at-risk of being declared habitually truant.

Funds are annually appropriated to the Colorado Department of Education for the purpose of making grants to school districts, alternative schools within school districts, charter schools, BOCES, non-profit, non-parochial schools, and facility schools. Grants are awarded on a competitive basis for a 4-year award period.

The state appropriation for FY14 matches the same level as FY13 at \$7,493,560. For the 2013-14 school year, 10 new grants were awarded and 35 continuation awards were made to grantees moving into years 2-4 for a total of 45 grantees.
