The State Advisory Council for Parent Involvement in Education (SACPIE) is a legislated body of diverse stakeholders charged to advise state organizations and school districts on issues related to increasing parent involvement<sup>1</sup> in education. The premise is that by promoting family-school partnerships, this will help to improve the quality of public education and raise the level of students' academic achievement throughout the state (C.R.S. § 22-7-301 and C.R.S. § 22-7-304). This responsibility specifically includes involving families in programs to increase high school and college graduation rates, decrease drop-out rates, and close the achievement and growth gaps between learner groups in the state. A listing of the SACPIE membership and the groups they represent can be viewed in Appendix A.

Pursuant to Senate Bill 13-193, the purpose of this report is to outline SACPIE's progress in promoting family-school partnerships in the state and in fulfilling the duties specified in C.R.S. § 22-7-304 from SB 09-090 and SB 13-193 (Appendix B, Link 1). This report includes a description of SACPIE's structure and membership, as well as a list of advisory duties,<sup>2</sup> SACPIE's progress on the duties, and next steps.

### **SACPIE Structure and Membership**

SACPIE, a 23 member council plus advisory and CDE support members, meets quarterly. In 2016, SACPIE had an Executive Committee and four working committees: Early Childhood, Elementary, Secondary, and Higher Education. Every member of SACPIE serves on a working committee, based on his or her area of expertise and interest. Each committee has an action plan based on SACPIE's legislated responsibilities. Committee members meet regularly to discuss the identified plan, share progress, and identify needed supports and resources. The committees also report progress to the SACPIE council at quarterly meetings.

Each SACPIE committee has a CDE staff member who serves as a co-chair and represents a different unit/office. Having CDE representation on every SACPIE committee from across the Department allows for multiple perspectives in discussions, direct department support of committee work, access to relevant resources, alignment of work, and reciprocal communication between CDE and SACPIE.

The Executive Committee, comprised of the SACPIE Chair, Vice-Chair, working committee chairs, and the CDE Family Partnership Director meets six times during the year. The purpose of the Executive Committee is to:

- Lead the SACPIE by planning meetings.
- Review vacancies and recommend new members.
- Review best practices for adherence to the framework.
- Review website contributions and external communication.
- Ensure implementation of procedures/policy recommendations.
- Guide the other committees in their work.

This year, the members of the Executive Committee recorded a webinar to inform the Every Student Succeeds Act (ESSA) Spoke Committees about family partnerships, helped to plan the Family and School Partnership in Education Month, and selected new representatives to serve a three year term on SACPIE. <sup>1</sup> In an effort to align state and national language, based on current research, this report uses the word "family" as opposed to "parent" and "engagement" or "partnering" instead of "involvement." This is done purposefully to be more inclusive and suggest a higher level of collaboration beyond involvement.

<sup>2</sup> C.R.S. § 22-7-304 outlines 15 recommendations for advisory duties and technical assistance for SACPIE to conduct in Colorado. This report includes the recommendations that SACPIE is currently implementing.

parent member application can be viewed in Appendix C. This basic application is adapted for other representatives when such vacancies arise on the Council.

In 2016, the Executive Committee also worked to identify “deliverables” for the other four working committees. These deliverables are intended to guide committee work while still allowing flexibility within their annual goals. The four recommended deliverables were:

- Share emails from the CDE Family Partnership Director with various contacts.
- Collect a minimum of 5 promising partnership practices for your grade level, aligned to the National Standards for Family-School Partnerships.
- Create a committee poster for the 2016 *Family and School Partnership in Education Month* Kickoff Event.
- Compose a minimum of 15 tweets for the year that can be tweeted by the CDE communications office about best practices for your committee’s grade level. The tweets may include pictures or hyperlinks.

The Operating Procedures state that each year, the council will select a Chair and Vice Chair. A CDE representative may serve in only one of these roles at any one time and every effort will be made to have a parent representative serve in one of these roles each year. At the SACPIE meeting on November 15, 2016, the Council reelected Stacey Zis, a parent representative, as Chair and Kim Watchorn, a CDE representative, to be the Vice Chair.

### SACPIE Advisory Duties

**Advisory Duty:** The council shall inform, at a minimum, the early childhood councils and the early childhood care and education councils created pursuant to article 6.5 or title 26 (C.R.S. § 22-7-304(1)).

The Early Childhood Committee is co-chaired by DJ Anderson, a parent representative, and Noemi Aguilar, CDE representative. The purpose of this committee is to identify and communicate with early childhood education councils (ECE) and early childhood leadership networks in Colorado regarding family, school, and community partnerships and resources. In 2016, members of the Early Childhood Committee participated in statewide meetings and committees, including:

- The Early Childhood Leadership Commission.
- The Early Childhood and School Readiness Legislative Commission.
- The Early Childhood Councils Leadership Alliance.

In 2016, members of the committee helped to form the Triad Early Childhood PTA and worked with the Family Engagement Action Team of the Early Childhood Colorado Partnership on designing parent education programs and resources.

The Early Childhood Committee also shared SACPIE resources at various conferences and meetings, including the Strengthening Families conference (January 2016) and the Expanding Quality in Infant Toddler Care meeting (October 2016).

**Advisory Duty:** Creating and implementing programs to effectively involve parents in improving their children’s education and levels of academic achievement. To identify these best practices and strategies, the council shall

review the programs implemented in other states and the results of state and national research conducted in this area. (C.R.S. § 22-7-304(1)(a)).

SACPIE is a council driven by research and data. To that end, the Council must align its work with the National Standards for Family-School Partnerships (PTA, 2008, Appendix B, Link 2) and references those standards in its resources and presentations. SACPIE also aligns its work with the Dual Capacity-Building Framework, a document published by the U.S. Department of Education in April 2014 (Appendix B, Link 3). A U.S. Department of Education representative serves on SACPIE as an advisory member and in this role, continuously updates SACPIE with related information. SACPIE's work with the Colorado Department of Education has been honored by the U.S. Department of Education as an "effective practice."

In order to continually stay informed about new research findings and effective partnering programs, a SACPIE representative participates with CDE staff in a monthly national call with other state representatives, facilitated by the American Institutes for Research (AIR). In 2016, the CDE Family Partnership Director shared SACPIE's work regularly during the monthly calls.

SACPIE has identified resources for practitioners from nationally recognized organizations on its website, including:

- The Center on School, Family, and Community Partnerships at Johns Hopkins University (Appendix B, Link 4).
- The Family Involvement Network of Educators at Harvard University (Appendix B, Link 5).
- The SEDL National Center for Family and Community Connections with Schools (Appendix B, Link 6).
- The Flamboyan Foundation (Appendix B, Link 7).

The Resources section on the website (Appendix B, Link 8) also includes research articles and toolkits for family-school collaboration. Wherever possible, resources are provided in both English and Spanish. SACPIE members continually research materials and these are archived under Member Contributions (Appendix B, Link 9).

In 2016, SACPIE worked with CDE to collect Promising Partnership Practices from schools and districts across Colorado (Appendix B, Link 10). Over 40 sites submitted a practice for the second annual publication. Each practice is aligned with the National Standards for Family-School Partnerships. Representatives from SACPIE and CDE have shared this new resource with hundreds of school and district leaders at conferences, workshop presentations, site visits, and through social media.

SACPIE also collaborated with the Colorado Department of Education to develop and publish a brochure entitled *Families, Schools and Communities Partnering to Support Student Learning*. The brochure is intended as a resource for all stakeholders about how to partner for student achievement and is distributed statewide at meetings and trainings. The brochure is available in both English and Spanish (Appendix B, Links 11 and 12).

**Advisory Duty:** Involving parents in programs to raise academic achievement, increase high school graduation rates, decrease student dropout rates, and close the achievement and growth gap. (C.R.S. § 22-7-304(1)(b)).

SACPIE is committed to building capacity in school personnel and families to partner for student achievement. To this end, SACPIE regularly encourages family participation in programs that promote student success. For the fifth year, Governor Hickenlooper declared October as *Family and School Partnership in Education Month*. The Governor's proclamation is available in English and Spanish on the SACPIE website (Appendix B, Links 13 and 14).

School districts and organizations across the state shared the proclamation with boards, educators, families, and community members. The U.S. Department of Education published a summary of Colorado's celebrations for the month in its quarterly newsletter.

A kickoff event took place on October 6, 2016 at the Colorado Department of Education. Interim Commissioner Dr. Katy Anthes facilitated the event and speakers included:

- SACPIE Chair Stacey Zis.
- Colorado Migrant Parent Advisory Council member Yolanda Armenta.
- SACPIE Parent Representative DJ Anderson.
- CDE Family Partnership Director Dr. Darcy Hutchins.
- SACPIE Advisory Member Senator Evie Hudak.
- Congressman Jared Polis.

SACPIE worked with the CDE Communications Office to livestream the Kickoff. This livestream is archived on the CDE Facebook page (Appendix B, Link 15).

Representatives from schools and districts who submitted a Promising Partnership Practice shared 25 displays in the State Board of Education conference room. SACPIE and CDE also shared displays and partnering resources with attendees. Approximately 100 people attended the event, almost doubling the 2015 attendance.

Members of SACPIE have also presented at numerous statewide conferences (Appendix D). In 2016, SACPIE representatives presented at trainings, conferences, and meetings to approximately 1295 participants. Presentations included:

- Plenary addresses.
- Breakout sessions.
- Panel member participation.
- Exhibition tables.

The Elementary Education Committee, co-chaired by Chelsea Henkel, a representative from Stand for Children, and Joyce Thiessen-Barrett, a CDE representative, has worked to support the parent component of the READ Act (H.B. 12-1238). The committee's support of the parent component is designed to make family partnering more effective by providing tools for parents and teachers to communicate about the plan.

To support the READ Act and family partnerships in students' literacy development, SACPIE and CDE partnered with Johns Hopkins University to develop TIPS Interactive Homework. Teachers Involve Parents in Schoolwork (TIPS) is a resource to encourage teachers and families work together for student learning. TIPS Interactive Homework is an example of a high impact Family-School-Community Partnering strategy (Appendix B, Link 16).

In order to be informed as to their role in implementing new Colorado reform legislation focusing on improving student achievement, SACPIE members heard presentations and shared feedback at their quarterly meetings on the following:

- Colorado's State Plan for the Every Student Succeeds Act
- The MTSS FSCP Implementation Guide (Appendix B, Link 17)

- Family-Friendly School and District Performance Frameworks
- Financial Transparency with BrightBytes

**Advisory Duty:** Involving parents in response to intervention programs in public schools and school districts (C.R.S. § 22-7-304(1)(c)).

SACPIE has inventoried, shared, and built upon existing CDE training and online resources that have been developed by the Office of Learning Supports and Exceptional Student Services Unit (Appendix B, Link 18) to support families partnering throughout the Multi-Tiered System of Supports (MTSS) framework. Key information that SACPIE uses in enacting its legislated responsibility is as follows:

- The CDE Office of Learning Supports has identified *Family, School, and Community Partnering* (FSCP) as one of the five Essential Components of a Multi-Tiered System of Supports (MTSS). In every MTSS Overview or Implementation learning experience offered by the Office of Learning Supports, FSCP is featured with consistent reference to SACPIE, its materials, and the Council’s commitment to partnering.
- In Colorado, Response to Intervention (RtI) is explicitly mentioned in: Rules for the Administration of the Exceptional Children’s Educational Act (ECEA), Colorado Read to Ensure Academic Development Act (Colorado READ Act), and SB 09-090.
- In Colorado, considerations for implementation of RtI are embedded in work from various offices and units within CDE, with primary responsibility housed in the Office of Learning Supports.
- Since 2009, a partnering curriculum has been used and updated through collaboration between SACPIE members and the Office of Learning Supports with co-presentation in varied formats which focus on how families can be effectively included throughout layers of support (or tiers) as active partners in decision-making and learning coordination between home and school.

**Advisory Duty:** Involving parents in programs to raise academic achievement, improve the persistence rate, and improve the on-time graduation rate of students enrolled in institutions of higher education (C.R.S. § 22-7-304(1)(d)).

The purpose of the Higher Education Committee, co-chaired by Dr. Kristine Greer, representative from higher education, and Kim Watchorn, a CDE representative, is to:

- Communicate with the Colorado higher education community regarding family, school, and community partnerships, resources, and measures.
- Support the implementation of SACPIE’s 7<sup>th</sup> Standard—*Providing professional development and pre-service training in partnering with families for administrators and teachers.*<sup>3</sup>

In 2016, the Higher Education Committee conducted the following initiatives:

- Created five posters with resource links to best practices in higher education for the Family and School Partnership in Education Month Kickoff on October 6<sup>th</sup>, 2016.

<sup>3</sup> SACPIE added the 7<sup>th</sup> Standard for Family-School Partnerships based on the research identifying the need for pre-service and practicing educators to learn more about partnering effectively with all families (Caspé, Lopez, Wu, & Weiss, 2011; Epstein & Sanders, 2006).

- Collected practices from five institutes of higher education (IHE's) who reported family involvement practices (Regis, DU, Metro, UNC, and Fort Lewis).
- Expanded the annotated list of links of resources and best practices that relate directly to higher education to be posted on the SACPIE website.

Additionally, SACPIE IHE Committee Members are represented on The Collaboration for Effective Educator Development, Accountability, and Reform (CEEDAR) State Leadership Team, which convenes to support improved Teacher and Leader Preparation programming in Colorado.

**Advisory Duty:** Increasing parent involvement in education-related committees at the local and state levels (C.R.S. § 22-7-304(1)(e)).

The Secondary Education Committee, co-chaired by Joanna Peters, representative of career and college guidance counselors, and Kirsten Carlile, a CDE representative, drafted sample communication language for middle and high school administrators about how to increase family partnerships related to the National Standards for Family-School Partnerships. Many of these opportunities include family partnership opportunities in education-related committees.

The Early Childhood Committee also informed the Early Childhood Councils Leadership Alliance and the Early Childhood Leadership Commission about SACPIE opportunities and ESSA provisions family partnerships in early childhood.

**Advisory Duty:** The council shall work with the department to provide regional training programs for school district accountability committees and school accountability committees. At a minimum, the training programs must address parent leadership and increasing parent engagement with school district accountability committees and school accountability committees, including best practices for parent engagement with school district accountability committees and school accountability committees (C.R.S. § 22-7-304(3)(b)).

In 2016, SACPIE collaborated with CDE's Family Partnership Director to conduct trainings across Colorado about family participation on SACs and DACs. The trainings included information about:

- Basic responsibilities and composition of SACs and DACs
- How to recruit, prepare, and sustain effective SAC and DAC membership
- How to collaborate with various stakeholders (i.e. community members, other families, other accountability committees, local boards of education)

Most of the SAC and DAC trainings in 2016 have occurred through special invitations from districts to the CDE Family Partnership Director. In 2017, SACPIE and CDE will complete a SAC and DAC toolkit, as well as an online training module for accountability committee members to learn more about their roles and responsibilities. SACPIE committees are in the process of working with their various contacts to collect examples about how SACs and DACs accomplish their legislated responsibilities. These examples will be included in the Toolkit.

**Advisory Duty:** The council shall work with the department to provide regional training programs for school districts and charter schools concerning best practices and skills for district and school personnel in working with parents (C.R.S. § 22-7-304(3)(c)).

SACPIE and CDE collaborated to plan and implement regional trainings for Family Partnership Liaisons, SACs and DACs, and other interested school and district stakeholders about promising practices and skills in working with families. The overall purpose of the trainings was to help schools and districts implement comprehensive, sustainable structures for student success. The four components of this structure are:

- The Framework of the National Family-School Partnership Standards
- Sharing Leadership
- Action Planning
- Evaluation

Resources from the SAC and DAC trainings and the promising practice trainings can be found in Appendix B, Link 19.

**Advisory Duty:** The council, in consultation with the department of education and the department of higher education, shall identify key indicators of successful parent engagement in education and use the indicators to develop recommendations for methods by which the department of education and the department of higher education may measure and monitor the level of parent engagement with elementary and secondary public schools and with institutions of higher education in Colorado (C.R.S. § 22-7-304(4)).

Members of SACPIE continue to work with the CDE Family-School-Community Partnering Community of Practice (Appendix E) and the Department of Higher Education to compile measures of family-school partnership. The CDE Family Partnership Director worked with SACPIE and CDE staff members from the Federal Programs Unit to develop a survey for school staff and families to measure family engagement outreach (Appendix B, Link 20). The surveys are intended to be a resource for schools and districts. The process for the survey development included:

- Aligning questions from existing surveys (Flamboyant Foundation, Kansas Parent Information and Resource Center, Parent Teacher Association, Indicator 8 Parent Survey, Family-School Partnering Survey for the State Personnel Development Grant) with the National Standards for Family-School Partnership Goals and Indicators.
- Completing an inter-rater reliability of selected survey questions.
- Collecting feedback of survey wording for readability from SACPIE, CDE staff, and national Subject Matter Experts.
- Presenting the preliminary survey instrument to the Educational Data Advisory Committee (EDAC) for approval to complete a pilot study.

In addition to the surveys, SACPIE committees will continue to explore current research to identify indicators that measure successful family partnership strategies.

### Next Steps

SACPIE will continue to increase and broaden the implementation of its legislated responsibilities in 2017. These next steps include but are not limited to:

- Continuing to work as committees to address the different educational levels identified in SB 09-090 and SB 13-193, particularly focusing on family-school partnerships in the READ Act, ICAP, truancy, and transitions.
- Using data to guide SACPIE’s continued family partnership initiatives.
- Exploring possible grant funding streams to support districts’ and schools’ family partnership work.
- Implementing trainings about best practices and skills to improve home-school partnering for student achievement in districts and schools in collaboration with CDE.
- Implementing trainings for SACs and DACs about family recruitment, retention, and participation on accountability committees in collaboration with CDE.
- Collecting and publishing promising practices from schools, districts, and organizations across Colorado.
- Aligning and refreshing the SACPIE website using analytic data.
- Working with the Department of Higher Education to increase family partnership in postsecondary and workforce readiness.
- Working with the Department of Human Services to foster effective family-school partnerships.
- Identifying key indicators to measure successful family–school partnership practices and to institute an ongoing, data-based system of continuous improvement throughout the state in collaboration with CDE.
- Seeking opportunities to promote family-school partnership practices in Colorado.
