## State Performance Plan Indicator Profile - FFY 2015

Administrative Unit (AU)

## Boulder Valley RE-2 (Boulder)

AU Code: **07020** 

The State Performance Plan (SPP) Indicator Profile is intended to provide Administrative Units with a tool for use in planning for systemic improvement in special education programs. The profile contains a series of SPP indicators that describe Administrative Units' performance as compared to state level target in Colorado's SPP. Required under the Individuals with Disabilities Education Act (IDEA), the SPP contains targets for 16 indicators along with a State Systemic Improvement Plan. This profile contains the first 14 indicators.

Indicator 1: Graduation Rates <sup>1</sup>			
Graduation Rates	AU Rate	State SPP Target <sup>2</sup>	State Performance
Percent of students with disabilities who graduated in School Year 2014-15 with a regular diploma within 4 years of entering 9th grade	70.56%	≥ 80%	53.78%
Percent of students with disabilities who graduated in School Year 2014-15 with a regular diploma within 5 years of entering 9th grade	82.57%		63.19%
Percent of students with disabilities who graduated in School Year 2014-15 with a regular diploma within 6 years of entering 9th grade	82.67%		67.83%
Percent of students with disabilities who graduated in School Year 2014-15 with a regular diploma within 7 years of entering 9th grade	86.44%		72.21%

Definition is aligned with ESEA

<sup>&</sup>lt;sup>3</sup> Does not include students in Eligible Facilities or State Operated Programs

Indicator 2: Drop-Out Rates <sup>5</sup>			
Drop-Out Rates	AU Rate	State SPP Target	State Performance
Percent of students with disabilities aged 14 - 21 who dropped out during School Year 2014-15	13.29%	≤ 25.2%	23.02%

<sup>&</sup>lt;sup>5</sup> Definition is aligned with IDEA

Indicator 3B & 3C: Assessment			
Participation and Performance Rates	AU Rate	State SPP	State
(for regular and alternate assessments)	AU Rate	Target	Performance
Federal Participation rate of students with disabilities for Reading assessments	68.59%	≥ 95.00%	86.78%
Federal Participation rate of students with disabilities for Math assessments	68.15%	≥ 95.00%	87.32%
Federal Proficiency rate for Reading assessments CMAS & CoAlt	14.09%	≥ 33.86%	8.50%
Federal Proficiency rate for Math assessments CMAS & CoAlt	13.05%	≥ 30.95%	6.92%

 $<sup>^{\</sup>rm 2}$  Target set by Office of Federal Programs Administration, CDE for ESEA

Indicator 4A & 4B: Suspension/Expulsion			
Suspension/Expulsion Rate	AU Rate	State SPP Target	State Performance
4A - Percent of students with disabilities who received suspensions/expulsions for greater than 10 days in a school year	0.43	≤ 3.39	0.77
4B - Does the AU have disproportionate representation of racial/ethnic Groups for suspension/expulsion greater than 10 days in a school year, which are the result of inappropriate policies/procedures?		No	
Indicator 5A & 5B & 5C: School Age Least Restrictive	e Environmen	it (LRE)	
Program/Placement	AU Rate	State SPP Target	State Performance
Percent of students with disabilities in regular class at least 80% of the time	81.62%	≥ 71.5%	73.62%
Percent of students with disabilities in regular class less than 40% of the time	1.93%	≤ 7.3%	6.68%
Percent of students with disabilities in separate schools/facilities, homebound or hospital	1.18%	≤ 3.5%	2.37%

Indicator 6A & 6B: Preschool Least Restrictive Environment (LRE)			
Program/Placement	AU Rate	State SPP	State
Programm Flacement	AO Rate	Target	Performance
Percent of children aged 3 - 5 with disabilities attending a regular early childhood program and receiving services in a regular early childhood program	93.95%	≥ 85.5%	84.48%
Percent of children aged 3 - 5 with disabilities attending a separate special education class, separate school or residential facility	2.63%	≤ 6.3%	5.21%

Indicator 7A & 7B & 7C: Preschool Outcomes (Measured by TSGold)			
Summary Statements	AU Rate	State SPP	State
Summary Statements	AO Rate	Target	Performance
Outcome A: Positive social-emotional skills (including so	ocial relationsh	ips)	
1) Of those children who entered or exited the program below age expectations in Outcome A, the percent who substantially increased their rate of growth by the time they exited the program	73.45%	≥ 81.09%	80.90%
The percent of children who were functioning within age expectations in Outcome A by the time they exited the program	67.55%	≥ 67.76%	67.50%
Outcome B: Acquisition and use of knowledge and skills			
(including early language/communication and early literacy)			
1) Of those children who entered or exited the program below age expectations in Outcome B, the percent who substantially increased their rate of growth by the time they exited the program	76.92%	≥ 82.11%	80.10%

2) The percent of children who were functioning within age expectations in Outcome B by the time they exited the program  Outcome C: Use of appropriate behaviors to meet their needs  1) Of those children who entered or exited the program below age expectations in Outcome C, the percent who substantially increased their rate of growth by the time they exited the program  2) The percent of children who were functioning within age expectations in Outcome C by the time they exited the program  Indicator 8: Parent Involvement  Parent Survey Responses  AU Rate  Percent of respondents to the parent survey reporting that schools facilitated parent involvement to improve services  Indicator 9: Disproportionality - Child With a Disability  Disproportionality  No State SPP  State  Performance  Does the AU have disproportionate representation of racial/ethnic groups in special education and related services, which is the result of inappropriate identification?  Indicator 10: Disproportionality - Eligibility Category  Disproportionality  No None  Percent of children with parental consent to evaluate, who were evaluated and eligibility Timelines  Percent of children with parental consent to evaluate, who were evaluated and eligibility was determined within an IEP implemented by their third birthday (includes students found not eligible)  Percent of children referred by Part C prior to age 3, whose eligibility was determined with an IEP implemented by their third birthday (includes students found not eligible)  100.00% = 100.0				
1) Of those children who entered or exited the program below age expectations in Outcome C, the percent who substantially increased their rate of growth by the time they exited the program  2) The percent of children who were functioning within age expectations in Outcome C by the time they exited the program  2) The percent of children who were functioning within age expectations in Outcome C by the time they exited the program  Indicator 8: Parent Involvement  Parent Survey Responses  AU Rate  State SPP Target  Performance  Percent of respondents to the parent survey reporting that chools facilitated parent involvement to improve services and results  Indicator 9: Disproportionality - Child With a Disability  Disproportionality  AU State SPP Target  Performance  Does the AU have disproportionate representation of racial/ethnic groups in special education and related services, which is the result of inappropriate identification?  Indicator 10: Disproportionality - Eligibility Category  Disproportionality  Indicator 11: Child Find  Evaluation/Eligibility Timelines  AU Rate  State SPP Target  Performance  No None  None  State SPP Target  Performance  Percent of children with parental consent to evaluate, who were evaluated and eligibility was determined within 60 days  Indicator 12: Early Childhood Transition  Transition from Part C to Part B  AU Rate  Target  AU Rate  State Target  Performance  Percent of children referred by Part C prior to age 3, whose eligibility was determined with an IEP implemented by their third birthday (includes students found not by their third birthday (includes stud	age expectations in Outcome B by the time they exited	70.86%	≥ 69.34%	68.50%
below age expectations in Outcome C, the percent who substantially increased their rate of growth by the time they exited the program  2) The percent of children who were functioning within age expectations in Outcome C by the time they exited the program  2) The percent of children who were functioning within age expectations in Outcome C by the time they exited the program  Indicator 8: Parent Involvement  Parent Survey Responses  AU Rate  Percent of respondents to the parent survey reporting that schools facilitated parent involvement to improve services and results  Indicator 9: Disproportionality - Child With a Disability  Disproportionality  Does the AU have disproportionate representation of racial/ethnic groups in special education and related services, which is the result of inappropriate identification?  Indicator 10: Disproportionality - Eligibility Category  Disproportionality  AU State SPP Target Performance  No None None  Percent of children with parental consent to evaluate, who were evaluated and eligibility Timelines  Percent of children with parental consent to evaluate, who were evaluated and eligibility was determined within 60 days  Indicator 12: Early Childhood Transition  Transition from Part C to Part B  AU Rate  AU Rate  State State  Performance  Percent of children referred by Part C prior to age 3, whose eligibility was determined with an IEP implemented by their third birthday (includes students found not by their third	Outcome C: Use of appropriate behaviors to meet their	needs		
Indicator 8: Parent Involvement  Parent Survey Responses  AU Rate  Percent of respondents to the parent survey reporting that schools facilitated parent involvement to improve services and results  Indicator 9: Disproportionality - Child With a Disability  Disproportionality  Does the AU have disproportionate representation of racial/ethnic groups in special education and related services, which is the result of inappropriate identification?  Indicator 10: Disproportionality - Eligibility Category  Disproportionality  Does the AU have disproportionate representation of racial/ethnic groups in special education and related services, which is the result of inappropriate identification?  Indicator 10: Disproportionality - Eligibility Category  Disproportionality  Does the AU have disproportionate representation of racial/ethnic groups in specific disability categories, which is the result of inappropriate identification?  Indicator 11: Child Find  Evaluation/Eligibility Timelines  Percent of children with parental consent to evaluate, who were evaluated and eligibility was determined within 60 days  Indicator 12: Early Childhood Transition  Transition from Part C to Part B  AU Rate  State Target Performance  Percent of children referred by Part C prior to age 3, whose eligibility was determined with an IEP implemented by their third birthday (includes students found not to the properties and the properties of the performance to the per	below age expectations in Outcome C, the percent who substantially increased their rate of growth by the time	71.43%	≥ 82.08%	74.90%
