Schedule 5: Line Item to Statute

Indirect Cost Assessment	Clarifies the amount of indirect costs to be collected from the Library Programs division.	
--------------------------	--	--

Colorado Department of Education
 FY 2014-15 Budget Request
 Schedule 5: Line Item to Statute

(4) School For The Deaf And Blind(CSDB), (A) School Operations

Line Item Name	Line Item Description	Statutory Citation
Personal Services	CSDB is a state funded school established for the purpose of providing comprehensive educational services for children who are blind and/or deaf and under the age of 21. The school provides: Assessment and identification of educational needs; special curricula, equipment and materials, supplemental related services, special short-term programs, program planning and staff development; programs for parents, families, and the public; and research and development to promote improved educational programs and services.	22-80-101, C.R.S.
Early Intervention Services	Serves hearing impaired toddlers and infants and their families to develop language skills, provide parents with information and counseling to identifying strategies in communication with their child and assessing the dynamics of the parent child interaction as well as support to improve it.	
Shift Differential	Funding for enhanced wages for employees working evening, night and weekend shifts at the School for the Deaf and the Blind.	
Operating Expenses	Line item appropriation for the funding of supplies, materials and other expenses not otherwise covered by another line item (e.g. capital outlay, etc).	
Vehicle Lease Payments	Provides funding for annual payments to the Department of Personnel and administration for the cost of new and replacement vehicles.	22-30-1117, C.R.S.
Utilities	Utility costs are supported by this line item (water, sewer, electricity and natural gas)	
Allocation of State and Federal Categorical Program Funding	Spending authority for an allocation of state and federal moneys available for special education services for children with disabilities based on its December pupil count.	
Medicaid Reimbursements for Public School Health Services	Authorization of spending authority, thus allowing for CSDB to enter into contracts and receive federal matching funds for moneys spent in providing student health services.	

Colorado Department of Education
 FY 2014-15 Budget Request
 Schedule 5: Line Item to Statute

(4) School For The Deaf And Blind(CSDB), (B) Special Purposes

Line Item Name	Line Item Description	Statutory Citation
Fees and Conferences	Through this line item CSDB can receive fees charged for various conferences or meetings held at the school and throughout the state.	
Outreach Services	Districts transfer federal funds to CSDB. CSDB is charged with being a resource to school districts by providing several services, including; assessment and identification of educational needs; special curricula; equipment and materials; staff development; and providing Braille and large print books to districts.	
Tuition from Out-of-State Students	The school is authorized to admit students from other states. This line ensures that children from neighboring states could be served at the School (given available space) if it is determined that it is the best setting for the child. This appropriation provides cash funds spending authority because tuition paid with non-Colorado state funds would be subject to TABOR.	22-80-110, C.R.S.
Grants	Line item provides spending authority for the school to receive various federal grants transferred from other line items within the Department. Excludes amounts related to categorical programs and Medicaid reimbursements for public school health services.
