The Denver Metro Area includes 476,026 (56 %) of the state's total Fall 2010 student membership in public schools. From Fall 2000 to Fall 2010 student membership in the Denver Metro Area increased by 80,794 students (20.44%). The total increase for all other Colorado school districts during that period was 454,165 students (17.31%). Please note: these numbers do not include Detention Center students.

* NOTE: Detention Center students were removed from the district count and pulled into a separate category. Although detention center students receive educational services from school district employees, school districts have no jurisdiction over any other detention center function.
