Senate Joint Memorials

S. J. M. No. 1, by Senators Houston (22d), Ammons, Ritchie, Chapman and Miller.

Whereas, There is now pending in the Congress of the United States a bill (H. R. 1) to provide for the immediate payment to veterans of the face value of their adjusted service certificates by the issuance of new currency; and

Whereas, The immediate cash payment of the adjusted service certificates will increase tremendously the purchasing power of millions of the consuming public, distributed uniformly throughout the nation, and will provide relief for the holders thereof who are in dire need and distress because of the present unfortunate economic conditions, and will lighten immeasurably the burden which cities, counties and states are now required to carry for relief; and

Whereas, The payment of said certificates will discharge and retire an acknowledged contract obligation of the Government; and

Whereas, The Government of the United States is now definitely committed to the policy of providing additional sums of money for the purpose of hastening recovery from the present economic crisis;

Now, Therefore, Be It Resolved, By the Senate of the Thirtieth General Assembly of the State of Colorado, the House of Representatives concurring herein: That the Congress of the United States is respectfully memorialized to enact such laws as will insure the immediate cash payment of the adjusted service certificates at face value, with cancellation of interest accrued and refund of interest paid, and, as a most effective means to accomplish the payment of the adjusted service certificates, to issue new currency of the United States.

Be It Further Resolved, That each of the Senators and Representatives in Congress from the State of Colorado be urged to support and assist in carrying out the purposes of this memorial; and

Be It Further Resolved, That a copy of this memorial be forwarded to each of the Senators and Representatives in Congress from the State of Colorado, and to the President of the Senate, the Speaker of the House of Representatives, the Chairman of the Committee on Ways and Means of the House of Representatives, and to Representative Patman of Texas, the author of H. R. 1.

H. J. R. No. 2, by Representatives Constantine, Brownlow, and Hoefnagels.

Whereas, It has been brought to the attention of this Assembly, through a survey made by the Legislative Reference Office, that numerous and serious discrepancies exist in the manner in which Old Age Pension funds are administered and expended by the various counties of the state; and,

Whereas, The payment of Old Age Pensions and the amount thereof have been dependent in many instances solely upon the discretion of the administrative officers of the Old Age Pension fund, with the result that large surpluses are being held in the Old Age Pension funds by many counties; and,

Whereas, No official audit is available to determine the exact amounts paid into Old Age Pension funds from all sources, including counties and municipal sources;

Now, Therefore, Be It Resolved, By the House of Representatives of the Thirtieth General Assembly, the Senate concurring herein;

SECTION 1. That a committee of five, to be composed of three members of the House of Representatives and two members of the Senate, be appointed by the Speaker of the House of Representatives and the President of the Senate, respectively, charged with the duty of making a thorough, complete and detailed investigation of the administration of Old Age Pension funds by the various counties of the state to determine what amendments to the present Old Age Pension Act are necessary, both from the standpoint of administration and moneys required, to effectively carry out an Old Age Pension system.

SECTION 2. That said committee, in connection with its said investigation, shall have power and authority to hold hearings, to summon witnesses, to take testimony under oath to be administered by the chairman or any member of said committee, to assemble such records and documents as may in said committee's judgment be deemed necessary, by subpoena duces tecum or otherwise, with the same power and authority as courts of record in the hearing of causes.

SECTION 3. That said committee shall have further power to employ a reporter to take and transcribe testimony given at such hearings, to employ the Sergeant-at-Arms of the House of Representatives to enforce all orders of said committee, and to punish for contempt for violation of its said orders.

SECTION 4. That the actual and necessary expenses of conducting the investigation herein authorized shall be paid out of the miscellaneous expense fund of this General Assembly.

H. J. M. No. 1, by Representative Hoefnagels.

Whereas, The problem of old age security has become a leading public issue; and

Whereas, The people of the State of Colorado have become conscious of the need for federal legislation aiming to make dependent old age more secure; and

Whereas, Many thousands of the people of this state have endorsed and recommended a plan known as "The Townsend Old Age Revolving Pension Plan," tending toward the accomplishment of these aims and the security of persons of this state in their old age;

Now, Therefore, Be It Resolved by the House of Representatives of the Thirtieth General Assembly, the Senate concurring herein, That the Congress of the United States is hereby respectfully memorialized and urged to give every consideration to the said "The Townsend Old Age Revolving Pension Plan," if, as and when the same is presented for its consideration.

Whereas, There is now pending in the Congress of the United States a bill (H. R. 1) to provide for the immediate payment to veterans of the face value of their adjusted service certificates by the issuance of new currency; and

Whereas, The immediate cash payment of the adjusted service certificates will increase tremendously the purchasing power of millions of the consuming public, distributed uniformly throughout the nation, and will provide relief for the holders thereof who are in dire need and distress because of the present unfortunate economic conditions, and will lighten immeasurably the burden which cities, counties and states are now required to carry for relief; and

Whereas, The payment of said certificates will discharge and retire an acknowledged contract obligation of the Government; and

Whereas, The Government of the United States is now definitely committed to the policy of providing additional sums of money for the purpose of hastening recovery from the present economic crisis;

Now, Therefore, Be It Resolved, By the House of the Thirtieth General Assembly of the State of Colorado, the Senate concurring herein: That the Congress of the United States is respectfully memorialized to enact such laws as will insure the immediate cash payment of the adjusted service certificates at face value, with cancellation of interest accrued and refund of interest paid, and, as a most effective means to accomplish the payment of the adjusted service certificates, to issue new currency of the United States.

Be It Further Resolved, That each of the Senators and Representatives in Congress from the State of Colorado be urged to support and assist in carrying out the purposes of this memorial; and

Be It Further Resolved, That a copy of this memorial be forwarded to each of the Senators and Representatives in Congress from the State of Colorado, and to the President of the Senate, the Speaker of the House of Representatives, the Chairman of the Committee on Ways and Means of the House of Representatives, and to Representative Patman of Texas, the author of H.
