ROCKY MOUNTAIN INSURANCE AND SAVINGS INSTITUTION.

Incorporated March, 1875. Commenced Business March, 1875. Located in Denver, Colorado,

B. F. JOHNSON, President. John Pierce, Treasurer.

JOHN L. DAILEY, Vice-President. W. F. BALDWIN, Secretary.

TRUSTEES.

B. F. Johnson, President Rocky Mountain Insurance and Savings Institution.

John Pierce, President Safe Deposit and Savings Bank. John L. Dailey, County Treasurer Arapahoe County, Colorado.

John L. Dailey, County Treasurer Arapance County, Colorado.

Egbert Johnson, mining.

J. H. Jones, Agent U. P., K. P., and D. & R. G. Railway Companies' Express and South Park Stage Company's Express.

W. N. Byers, Postmaster, Denver, Colorado.

A. J. Sampson, late Attorney-General, Colorado.

Albert Johnson, late Surveyor-General, Colorado.

Grant Johnson, late Surveyor-General, Colorado.

George N. Billings, Door and Sash Manufacturer.

FIRST—The business of the institution is conducted on the co-operative or assessment system and is confined at present to issuing certificates of life membership. When the death of a member becomes a claim, an assessment is made upon the survivors, based upon the tables of mortality, varying in amount from seventy-five cents to three dollars each, according to age.

SECOND-This being an assessment institution, there is no guarantee to the member for any amount, except to pay whatever is collected by way of assessment.

THEO—During the year 1801 and to April, 1882, accident certificates were issued. The practice of doing so was then abandoned, it not being considered practicable under the plan adopted.

FOURTH-This company does not issue endowment certificates.

FIFTH-Since the organization of the institution there have been sixty-four deaths, an average of eight per year since the organization of the institution in 1875. On total assessments made previous to this date, \$84,105.00 have been collected and paid to beneficiaries, except \$1,260.00 on hand and awaiting the orders of those entitled to it.

SIXTH-Three claims reported not yet assessed for.

SEVENTH-Two claims are being contested. This is done wholly for the interest of members who have lived up to the requirements expressed in the conditions of their certificates of membership.

EIGHTH—The company has no capital stock, money nor assets of any kind that is liable for death claims except the amount collected as assessments and now on hand as stated above. All moneys collected in this way go to beneficiaries. No per cent of assessment money is retained with which to pay salaries or other expenses, all of which, including salaries, commission to agents, physicians' fees, rent, fuel, printing, advertising, clerk hire, postage, etc., are paid out of admission fees and semi-annual dues.

NINTH-The institution has no reserve fund. It has nothing with which to create one, the cost to the members being only for current insurance,

TENTH—The amount collected on the last two certificates, which became claims by death 881, was \$1,265.25 each. The amount collected on the last two certificates, which in 1881, was \$1,265.25 each. became claims by death in 1882, was \$1,177.00 and \$1,130.00, respectively.

This association is conducted on the mutual assessment plan. Whenever a death occurs by accident each member of the division to which the deceased belonged is assessed the sum of two dollars. Of the sum collected the beneficiary shall receive the amount named in the certificate of membership, but in no case to exceed the amount collected from said assessment. Payments for weekly indemnities are paid to members receiving injuries. The funds to meet these payments are obtained by assessments. As the amount collected on an assessment may be sufficient to pay many indemnity claims, it will only be necessary to assess members at long intervals.

ANNUAL STATEMENT

For the year ending December 31, A. D. 1882, of the transactions and conditions of THE GREAT WESTERN MUTUAL AID ASSOCIATION, organized under the laws of the State of Colorado, made to the Superintendent of Insurance of the State of Colorado, pursuant to the laws of said State:

W. A. H. LOVELAND, President. T. L. WISWALL, Secretary.

F. STEINHAUER, Vice-President. F. STEINHAUER, Treasurer.

Incorporated August 2, 1880. Commenced Business October 6, 1880.

PRINCIPAL OFFICE:

TABOR BLOCK, DENVER, COLORADO.

This association is conducted on the mutual assessment plan, Whenever a death occurs to a member, each surviving member is assessed the sum of one dollar.

Payment of death claims is made from assessments, but in no case can a

larger sum be paid than the amount collected from an assessment.

The capital stock was placed at \$10,000.00 and subscribed for by the incorporators in order to comply with the laws of Colorado governing the incorporation of associations, and as a supporting fund to aid in the successful conduct of the association, in addition to its other sources of income, especially in its organizing year.

This association has never litigated or refused to pay a death claim. It aims to conduct its business on a liberal and considerate basis, thereby exemplifying the mutual brotherhood principles upon which it is organized. It will ever aim to avoid technical objections in paying all claims. It will have some expert accountant in no way connected with or interested in the association, examine its books of record at reasonable intervals and report upon the same for the benefit and information of its members. It has lately had such examination made by an expert accountant, and the financial statement now made is the result of the same.

The aforesaid examination covered the period of this association's business from date of organization to July 1, 1883, and which makes an increased favorable showing. This statement is made in accordance with the law requiring a report of the transactions of the association for the year 1882, and is presented in form to comply with the form in which the books of record of the association are kept, there being no law requiring the keeping of records in a specific manner or rendering of reports in a particular form:
