Made from Annual Statements for the Year Ending December 31, 1913

DENVER, COLORADO THE 8MITH-BROOKS PRINTING COMPANY, STATE PRINTERS 1914 State Capitol, Denver, Colorado, March 14, 1914.

To His Excellency,

E. M. AMMONS,

Governor of Colorado.

Sir: In compliance with the requirements of the statutes, I have the honor to submit herewith the Annual Report of the Insurance Department, containing a synopsis of the annual statement of all insurance companies and fraternal insurance orders doing business in this state during the year 1913, together with a statement of the receipts and disbursements of the Department.

LEGISLATION

The new insurance law of 1913 is, on the whole, a satisfactory one. As might be expected, of course, in the adoption of a new code, the need for minor changes and amendments becomes apparent from time to time. Some of these are as follows:

MINOR CHANGES

1. Section 12. entitled "Examinations and Investigations." contains a provision that the consent of the Governor must be obtained to all examinations, inquiries, or investigations. It would expedite the business of this office if this were altered to read: "Provided further, that the consent of the Governor must be obtained to all examinations, inquiries, or investigations costing more than \$1,000."

2. In section 21, paragraph 2, the first sentence should be amended by deleting the words "or agent" and inserting the phrase "resident of Colorado," to read as follows:

"Every such company shall through its proper official promptly notify the Commissioner in writing, of the name, title and address of each person, resident of Colorado, it appoints or employs to act as agent or solicitor in this state."

3. Section 24, entitled "Insurance Company Reports and Statements—Publication." should be amended by the deletion of the second and third sentences. These sentences require that the insurance companies shall publish a synopsis of their annual statements in the newspapers. This is an unnecessary expense to the companies, and is not, as far as I can see, productive of any good to the people of the state. Every added expense to an insurance company means an added expense to the public. Therefore, this one may well be eliminated.

4. In section 26, entitled "Investment of Funds," paragraph 3 permits an insurance company to lend on a real-estate mortgage two-thirds the value of the property. This should be amended so that but half the value may be loaned.

5. Section 30, "Formation of New Companies": Under this section, and according to a recent court decision, new companies which are in the stock-selling period and are not doing any insurance business cannot be regulated, in spite of any evils and abuses which may exist.

I recommend that this section be amended to provide that the authority to open books for the subscription of stock shall expire and be renewable annually, and that a corporation which proposes to become an insurance company, and is selling stock to the public, should file annually a statement with the Commissioner of Insurance, in such form as he may require, in order that it may be possible to tell whether the promotion is being conducted honestly or dishonestly, economically or extravagantly; whether the methods of the organizers and promoters are hazardous to the public or safe ones; and that, further, a company in the promotion period should be subject to an examination by the Insurance Commissioner, the same as a company whose promotion period has been completed, and which is selling insurance.

6. Section 40 provides that it shall be unlawful to insure minors under fifteen years of age. This provision is unnecessarily drastic and has been abolished in all the states except Colorado. I recommend that this be amended as follows: From fifteen years of age upwards, the present law remain the same; between the ages of one and fifteen years the New York insurance law, section 55, be adopted.

7. Section 41 requires that the domestic life insurance companies must deposit with the Insurance Commissioner the total amount of the company's reserve. This should be optional, and a company which chooses to avail itself of this option may print the clauses: "The full reserve on this policy is deposited with the Insurance Commissioner in approved securities, in accordance with the optional reserve deposit law of the State of Colorado."

8. In section 62, the latter part of paragraph 1 should be amended as follows:

Instead of reading, "who shall countersign all policies so issued and receive the commission thereon when the premium is paid, to the end that the state may receive the taxes required by law to be paid on the premiums collected for insurance on all property located in this state," to read: "who shall countersign all policies so issued and receive the full commission thereon when the premium is paid."

OF THE COMMISSIONER OF INSURANCE

9. Section 74, entitled "County Mutual Protective Associations," should be amended specifically to provide that a county mutual which is not a fraternal organization, operating upon the lodge plan, should be permitted to operate not only in the home county, but also in four adjacent counties.

10. In section 81, entitled "Interinsurance," paragraph C should be changed as follows:

"Such subscribers, so contracting among themselves, shall through their attorney file with the Insurance Commissioner of this state a declaration, verified by the oath of such attorney, giving such information as the Commissioner may require. The Commissioner shall require not less than the following:"

11. In section 82, entitled "Surety Conipanies," paragraph 2 provides that a surety company may cancel the bond of any individual, but it does not provide that the bond may be canceled at the desire of the individual, in order that he may substitute another bonding company for the first. Such a provision should be made.

MAJOR CHANGES

The foregoing are the minor changes that should be made in the law. Some of the major changes are:

1. The State of Colorado needs a suitable, practical workmen's compensation law.

2. A law providing for a standard accident policy should be passed.

3. A conservative, well-planned fire-marshal law should be passed.

4. The 2 per cent tax on the gross premiums collected in the state should be abolished, or at least materially reduced. It is not an equitable tax, and it is a tax on the men of small means.

Most of the life-insurance companies are mutual companies. The money comes from, and goes to, the policy-holders; that is, the public. It is an indirect tax on thrift and economy; it imposes a penalty on everyone who is conscientious enough to protect his wife and children in the event of his death; it imposes a tax on everyone who protects his house against fire, his wages against possible illness.
