How is the emergency or reserve fund created, and for what purpose, and under what circumstances can it be disbursed? The guaranty fund of the Woodmen of the World is a permanent earning fund, the principal of which "shall never be impaired." By article X of the constitution of the Woodmen of the World, the guaranty fund is provided for and regulated. Compactly stated, the provisions of that article are:

All benefit assessments received from the membership are paid into the benefit fund, and all interest earnings of the guaranty fund are also paid into the benefit fund, and from the benefit fund all death claims are paid. On the first day of July of each year, all money in the benefit fund over and above \$100,000, and over and above all pending death claims, is transferred and paid into the guaranty fund.

The guaranty fund is under the control of the board of head managers, and is invested in bonds; in respect of such investments the board is limited by a provision in said Article X to United States Government Bonds, bonds of the several states of the United States, bonds of municipal corporations and county, district and improvement bonds of municipal corporations, counties and school districts; and as to municipal bonds, the corporation must

have existed not less than fifteen years, and have an assessed valuation of not less than \$1,000,000; and as to a school district, an assessed valuation of not less than \$300,000. The real property and the improvements thereon in Denver (being the head offices of the association) also belong to the guaranty fund and four per cent per annum upon the reasonable value of such property is paid into the guaranty fund from the general fund of the association.

The securities in the guaranty fund are taken and registered in the name of the association, and none of them may be sold, transferred or conveyed without the unanimous vote of the board of head managers, and with the approval of the head consul, head clerk, head banker and general attorney.
