Denver, Colo.
1949

August 2, 1949.

Hon. William Lee Knous
Governor of Colorado
Denver 2, Colorado

My dear Governor :

Herewith I am enclosing the Sixty-seventh Annual Report of the Colorado Insurance Department. Total premiums paid in the year 1948 amounted to \$100,039,635.00 compared with \$88,769,843.00 in 1947.

Department receipts for 1948 were \$1,876,381.51, a large increase over 1947 receipts of \$1,645,234.50. The percentage of expenses to receipts was 2.83%, probably the lowest for any Insurance Department in the United States. The national average is 5.80%. The appropriation for the next biennium is somewhat larger.

The following list of premiums paid to the 637 insurance companies operating in Colorado shows tremendous increases:

	1947	1948
Life	\$43,133,858.00	\$48,752,783.00
Fire	17,121,593.00	19,193,300.00
Casualty	20,901,690.00	25,443,176.00

At the request of the Department, valuable amendments to the Insurance Code were made at the last session of the Legislature. County Mutual Protective Associations writing Crop Hail Insurance were placed under strict supervision with a deposit of \$25,000.00 with the State required before such company can do business. Previous statutory regulations of these companies were negligible and much trouble resulted.

A Surplus Line Broker's Act was passed permitting insurance in non-admitted companies under certain restrictions. Numerous abuses in insurance of this kind should be eliminated by this law. In addition the State, for the first time, will collect premium taxes upon these policies.

A Fair Trade Act applicable only to the insurance business was passed. Though more specific, it is similar in scope and provisions to the Federal Trade Commission Act. This statute adds greatly to the protection of the public.

The Federal Anti-Trust laws, are, by the terms of U. S. Public Law 15, applicable to the insurance business only "to the extent that such business is not regulated by State law." This act, together with rate regulatory acts passed in 1947, supplant, we think, the operation of the Sherman Act, the Federal Trade Commission Act and the Robinson-Patman Act, thus complying entirely with Public Law 15. Thereby insurance supervision should remain solely with the State authorities rather than be subject to Federal regulation.

Your splendid cooperation with the Department at all times is gratefully acknowledged.

Very truly yours,

LUKE J. KAVANAUGH,
Commissioner.
