BUSINESS OF 1949 FROM REPORTS

August 2, 1950

Honorable Walter W. Johnson
Governor of Colorado
Denver 2, Colorado

My dear Governor:

The Sixty-eighth Annual Report of the Colorado Insurance Department is enclosed herewith. Total premiums paid in the year 1949 to all insurance companies amounted to \$105,971,608.00 compared with \$100,039,635.00 in 1948, and \$88,769,843.00 in 1947.

Department receipts keep increasing. For 1949 they amounted to \$2,048,589.00 compared with \$1,876,381.00 in 1948, and \$1,645,234.00 collected in 1947.

The following list of premiums paid to the 633 insurance companies operating in Colorado shows these great increases:

	1948	1949
Life	\$48,752,783.00	\$53,826,094.00
Fire	19,193,300.00	23,107,101.00
Casualty and Miscellaneous..	25,443,176.00	29,038,413.00

Total disbursements of the Department for the year 1949 amounted to \$67,706.00 as compared with \$53,229.00 in 1948, the bulk of the increase being in salaries.

The Amendments to the County Mutual Protective Association Act passed in 1949 have proved of great value. Crop Hail insurance is now written under severe restrictions, and policyholders as well as the Companies seem to be pleased with the operation of the Act. Before the passage of this law, conditions surrounding Hail insurance were chaotic and recoveries by policyholders unsatisfactory in many cases.

The last compilation of the Insurance Laws of the State was published in 1940 in one volume. Since that time each Legislature has passed numerous Insurance statutes. These and all Insurance Laws should be reprinted in one volume to the end that anyone wishing to learn what the Law is upon the subject of Insurance may be able so to do without the endless trouble which is now experienced.

Your fine cooperation with the Department is gratefully acknowledged.

Very truly yours,
LUKE J. KAVANAUGH
Commissioner
