1955

BUSINESS OF 1954 FROM REPORTS OF DECEMBER 31, 1954

SAM N. BEERY Commissioner

Publication Approved by James A. Noonan, Controller

Bradford-Robinson Printing Co. Denver, Colo. 1955 Honorable Edwin C. Johnson Governor of Colorado Denver 2, Colorado

Dear Governor:

We are enclosing the 73rd Annual Report of the Colorado Insurance Department.

Departmental receipts continued to increase. The amount for the fiscal year was \$3,192,381.02 compared to \$3,002,602.02 in 1953 and \$2,714,172.07 in 1952. Total premiums paid in 1954 by Colorado policyholders amounted to \$168,677,483.00 as compared to \$160,110,603.00 in 1953, and \$142,282,245.00 in 1952.

There are 700 insurance companies licensed to operate in Colorado, 52 of these being domestic companies. The total premiums for 1954 and 1953 paid to all of these companies are as follows:

| | 1953 | 1954 |
|------------------------------|---------------|-----------------|
| Life, Accident and Health \$ | 77,343,100.00 | \$84,159,175.00 |
| Fire | 9,830,422.00 | 6,730,242.00 |
| Casualty, Miscellaneous | 29,162,262.00 | 27,323,673.00 |
| Multiple Line | 43,774,819.00 | 50,464,393.00 |

The total expenses of the Department for the year 1954 were \$107,722.54. The percentage of expenses to receipts was 3.37%, one of the lowest among the Insurance Departments in the United States, the average being 5.4%.

Previous Commissioners have repeatedly pointed out in their Annual Reports that the Insurance Department is understaffed, that the reason may very well be lack of sufficient moneys with which to operate, that recruitment for the Department is extremely difficult on account of starting salaries which we may presently offer. I would concur with the previous Commissioners in their thoughts in this connection. The business of insurance in the great State of Colorado has shown a very steady growth over the last several years, and it is felt that the personnel of the Insurance Department should be expanded to meet the demand by Industry and the People of Colorado in the regulation of this important Industry.

Life insurance is constantly growing in Colorado, the total in force as of December 31, 1954 being \$2,452,057,456.00. While it may well be noted that the Fire and Casualty business over this same period has decreased, it will also be noted that the writings for the Multiple Line operation have increased accordingly. To the Honorable Luke J. Kavanaugh, former Commissioner of Insurance, in his recommendations as given the Governor in the 72d Annual Report, we would add the need for specific regulation in the field of Title Guaranty insurance. We would concur with former Commissioner Kavanaugh's suggestion, as contained in the 72nd Annual Report, to the effect that the law concerning Mortuaries Prepaid Funerals, Chap. 141, Session Laws, 1953, should be amended so that this Act would no longer be placed under the Insurance Department. There are some 128 Colorado mortuaries which have millions of dollars belonging to shareholders. There is no insurance involved, and the Insurance Department with its limited personnel and expanding duties is ill equipped to handle examinations of these funds.

Your sincere cooperation and that of your excellent staff is gratefully acknowledged.

Very truly yours, SAM N. BEERY Commissioner
