His Excellency
The Honorable Stephen L. R. McNichols
Governor of Colorado
State Capitol
Denver, Colorado

Dear Governor McNichols:

In accordance with the provisions of 72-1-8, Colorado Revised Statutes, 1953, I have the honor to submit the Seventy-Sixth Annual Report of the Insurance Commissioner of Colorado.

Departmental receipts, which are allocated to the general fund, continue to increase and did, indeed, reach the all time high of \$4,271,163.77, an increase of slightly under \$400,000.00 over the previous high. Total premiums subscribed to by the people of the State of Colorado amounted to \$222,974,852.00, as compared with \$203,614,568.00 in 1956 and \$183,684,308.00 in 1955. Total premiums paid to all of these companies are as follows:

	1957	1956
Life, Accident and Health	\$113,327,627.00	\$104,853,323.00
Fire	5,143,593.00	5,181,065.00
Casualty, Miscellaneous	27,427,030.00	26,356,413.00
Multiple Line	77,076,602.00	67,223,767.00

Departmental expenses for the year 1957 were \$156,695.82, the percentage of expenses to receipts being 3.67 per cent, one of the lowest expenses ratios in the United States.

Sir, there are seven hundred thirty-seven insurance companies licensed to operate in our State and of this number fifty-four are Colorado insurance companies. During 1957, there were four Colorado insurance companies organized who did commence business in our State, and there are twelve companies presently in various stages of organization. An additional forty-one foreign insurance companies were licensed to conduct an insurance business in the State of Colorado the past year, and there are presently thirty-nine companies seeking admission.

The foregoing facts bear silent witness to the need of expansion of the supervisory staff of your Insurance Department. Increases in Department budget requests have considered this need, and recognition must be given by the General Assembly if this Department is to continue to maintain the standards of supervision which it has effectively established throughout the several years. Likewise, the Department must be placed in a financial position to be able to dispatch key personnel for attendance and participation in National Insurance Conferences and National Insurance Committee meetings, for it is those conferences and meetings on which your Insurance Department should rely in order that state regulation be kept abreast of a rapidly changing world of insurance. The majority of our present laws were, and indeed, our future laws will be promulgated at these conferences and meetings. Colorado must participate if we

are to regulate and grow with the industry. In order to maintain our standards of State supervision of this business of Insurance, the General Assembly must take cognizance of this fact in considering the Insurance Department's budget as it reflects necessary travel.

Participation in the affairs of the National Association of Insurance Commissioners is continuing on the part of your Insurance Department. Colorado has been honored by my election to the post of Chairman of the Executive Committee of the National Association of Insurance Commissioners. During the past year, I did serve as Chairman of the Laws and Legislation Committee of the N. A. I. C. and was a member of the Accident and Health Committee, the Examinations Committee, the Unauthorized Insurance Committee, and I also served as Chairman of several Subcommittees and was Chairman of Zone Five of the National Association of Insurance Commissioners. It is felt that active participation in this organization is most important and in the best interests of the citizens of the great State of Colorado.

We solicit the opportunity of discussing with you certain recommended legislation; amongst the recommendations would be:

1. Upward revision of capital, surplus and/or guaranty fund requirements for permission to do business in Colorado.
2. Domestic title insurance companies should be brought under insurance laws rather than banking or corporation law as is their present option.
3. Enactment of legislation and repeal of other to the end that the Blue Cross and Blue Shield Plans would be regulated by your Insurance Department.
4. A law making it a felony to submit a false statement of condition to the Insurance Department.
5. The law concerning mortuaries' prepaid funerals, Article 17, should be repealed.
6. The enactment of the National Association of Insurance Commissioners' model law as it pertains to the regulation of Credit Life and Credit Accident and Health insurance.
7. Reconsideration should be given the proposed law as it would establish the office of State Fire Marshal to the end that it would become an integral part of your Insurance Department.

The personnel of the Insurance Department have extended full support to your Commissioner in carrying on their assignments and this cooperation has been foremost in bringing about the accomplishments of the past year. Without their continued support and enthusiasm, it would not be possible to have attained the results we do report to you.

On behalf of your Insurance Department, we do commend the several actions which your Office has initiated for the betterment of the career employee in the service of our great State.

Respectfully submitted,

SAM N. BEERY
Commissioner of Insurance
