His Excellency
The Honorable Stephen L. R. McNichols
Governor of Colorado
State Capitol
Denver, Colorado

Dear Governor McNichols:

In accordance with the provisions of 72-1-8, Colorado Revised Statutes, 1953, I have the honor to submit the Seventy-Seventh Annual Report of the Insurance Commissioner of Colorado.

Insurance companies set new records for premium income and claim payments during 1958:

	1958 Premiums	1957 Premiums
Life, Accident and Health	\$144,799,805.00	\$113,327,627.00
Fire	4,020,122.00	5,143,593.00
Casualty, Miscellaneous	30,586,872.00	27,427,030.00
Multiple Line	84,632,630.00	77,076,602.00
Total	<u>\$264,039,429.00</u>	<u>\$222,974,852.00</u>

Claims amounted to \$104,342,105.00 during 1958, representing an increase of \$14,264,721.00, or 13.58% over the previous year.

Departmental receipts also increased over previous years and for the fiscal year 1958 - 1959, income amounted to \$4,649,909.05, an increase of \$378,745.28, or 8.87% more than for the previous fiscal year. This increase is, by itself, substantially more than the entire budget of the Insurance Department of the State of Colorado. Expenses for the fiscal year through June 30, 1959, amounted to \$185,659.74; being 3.99 per cent of the total receipts, and one of the lowest expense ratios of the forty-nine Insurance Departments of the United States.

There are, as of this date, seven hundred forty-one insurance companies licensed to operate in our State and of this number fifty-nine are Colorado insurance companies. During 1958, there were four Colorado insurance companies organized which did commence business in our State. There are eighteen companies presently in various stages of organization. Thirty-two new foreign insurance companies were licensed to conduct an insurance business in the State of Colorado during 1958 and there are presently sixty-five foreign insurance companies seeking admission. During 1958, the Department dealt with and approved twenty-three mergers; eleven companies withdrew from the State of Colorado; two companies were wholly reinsured and one company's license was revoked during that year. The foregoing evidences the work load undertaken by your Insurance Department. Future appropriations must recognize the need for increased personnel and facilities to cope with the enormous growth of the insurance business in our State. The Department should be placed in a financial position to be able to dispatch key personnel for attendance and participation in all National Conferences and National Committee meetings, for it is at those Conferences and meetings that the framework of our future laws and regulations will continue to be established. This becomes more important as we witness the increased Federal activity in the field of insurance. It is foreseeable that if State regulation does not continue to maintain the standards that have been established, Federal regulation is a definite possibility with possible loss of tax dollars

in those areas in which the Federal Government exercises jurisdiction.

We urgently recommend the following legislation:

1. Upward revision of capital, surplus and/or guaranty fund requirements for permission to do business in Colorado.
2. A law making it a felony to submit a false statement of condition to the Insurance Department.
3. The law concerning mortuaries' prepaid funerals, Article 17, should be repealed and responsibilities transferred to the Banking Department, or a new law drafted placing this operation under the same regulations as those under which insurance companies presently operate.
4. The enactment of the National Association of Insurance Commissioners' model law as it pertains to the regulation of Credit Life and Credit Accident and Health insurance.

We recommend that consideration be given to the following legislation:

1. All domestic title insurance companies should be brought under insurance laws rather than banking and/or corporation and/or insurance law as is their present option.
2. Enactment of legislation and repeal of other to the end that the Blue Cross and Blue Shield Plans would be regulated by your Insurance Department.
3. Serious consideration should be given to the establishment of the office of State Fire Marshal.

The Colorado Insurance Department has actively participated in the functions of the National Association of Insurance Commissioners. As Vice President of the National Association of Insurance Commissioners, I am an ex-officio member of all standing committees.

Insurance Department personnel have extended full support to your Commissioner in carrying out their assignments, and this continued cooperation has been foremost in bringing about the many accomplishments of the past year. As in the past, this Department will continue to serve the people of the State of Colorado to the best of our combined abilities and, within the framework of the Insurance Laws of the State of Colorado, we will continue to seek every opportunity to provide the citizens of this great State with maximum protection at a minimum cost.

Respectfully submitted,

SAM N. BEERY
Commissioner of Insurance
