*His Excellency*

THE HONORABLE JOHN A. LOVE

Governor of Colorado

State Capitol

Denver, Colorado

Honorable Sir:

It is my pleasure to submit the Eighty-First Annual Report of the Colorado Commissioner of Insurance. In so doing, it is particularly gratifying to call to your attention the record amount of insurance business transacted, to important insurance legislation enacted by the Forty-Fourth General Assembly, to our problems, to our achievements, and to our recommendations.

Taxes, fees, and expenditures in this Report are for the fiscal year July 1, 1962, through June 30, 1963. Statistical information relative to licensed insurance companies, their financial condition and business transacted is based on the 1962 calendar year. That and other detailed information is contained in the companies' annual statements on file in the Insurance Department and immediately available for study by the interested public.

New heights in premium income and claim payments continue to be established by insurance companies licensed to do business in Colorado. The same is true of Insurance Department receipts. Of particular interest are the following comparative figures for 1962 and 1961 in our State:

<i>Premium Income</i>	<i>1962</i>	<i>1961</i>	<i>Percentage Comparison</i>
Life, Accident and Health	\$180,541,702.00	\$159,067,090.00	+13.50%
Fire	3,833,440.00	3,653,110.00	+ 4.94
Casualty and Miscellaneous	28,654,216.00	31,440,116.00	- 8.86
Multiple Line	120,561,170.00	111,877,056.00	+ 7.76
Total Premiums	\$333,590,528.00	\$306,037,372.00	+ 9.00
Claims Paid	\$176,601,150.00	\$164,484,257.00	+ 6.86
Insurance Department	<i>1962-1963</i>	<i>1961-1962</i>	
Receipts	\$ 7,266,671.08	\$ 6,636,376.71	+ 9.50

It is significant to note that the \$630,294.37 increase in Insurance Department receipts is more than double the entire budget appropriated for operation of this Department, by the Colorado General Assembly. These receipts represent taxes, licenses and fees collected from insurance companies, agents, and brokers licensed to do business in this State; they reflect the increased work load of this Department and are significant of our man power deficiencies.

It is noteworthy that the Insurance Department's expenses, appropriated by the General Assembly, totaled \$251,181.99 for the fiscal year ending June 30, 1963. This is but 3.46% of the total receipts, a cost of operation approached by few other states.

Companies authorized to conduct insurance business in Colorado as of December 31, 1962, numbered eight hundred two, twenty-

two more than the previous all-time high of seven hundred eighty. Fifty-nine are Colorado-based domestic companies, the remaining seven hundred forty-three having their home offices in other states and a number of other countries. The Colorado Insurance Department granted licenses to forty-one new companies, six in Colorado, during 1962. Of one hundred ninety-two companies in various stages of seeking Colorado licenses, twenty-six are located in this State. During 1962, there were eight mergers, ten companies withdrew from Colorado operations and one was placed in receivership.

In accordance with national procedure established by the National Association of Insurance Commissioners, twenty-nine Colorado insurance companies were examined during the past year. Such examinations, required of all domestic companies upon organization, are conducted as conditions demand and at least once every three years.

Reports for the past fiscal year show licenses issued or renewed for 41,569 insurance agents, 1,559 resident and non-resident brokers, 412 personal employees. As required by Colorado's statutes, examinations were given to 2,595 agents and brokers.

Examinations are given each day, Monday through Friday, in the Insurance Department, State Office Building, Denver. The sincere and generous co-operation of the State Department of Employment has enabled the Insurance Department to provide examination facilities in the many areas of Colorado served by that Division of State government. Lack of appropriation for additional manpower and travel prevents the Insurance Department from sending examiners or investigators directly to various areas of the State, as the statutes intend.

Insurance companies licensed in Colorado maintained deposits in excess of \$87,500,000.00 in various banks within the City and County of Denver as of June 30, 1963. All deposits are under the joint control of the Commissioner of Insurance and the companies for the benefit of policyholders everywhere, including special instances where deposits are for the sole benefit of Colorado policyholders.

The several divisions of the Insurance Department have experienced an arduous year in maintaining the standards of service commensurate with Department benchmarks established over these many years of service to the Colorado public. However, we would be less than fair to the insuring public of the State of Colorado and to our Department if we neglected to emphasize the need of legislative appropriations commensurate with the greatly increased work load delegated to the Insurance Department by the legislative and 'inherited' by us through the sheer progress that is Colorado.

The Department's Claims Division dealt with over 6,135 complaints from our citizens this past fiscal year. It is good to report that this Division provides most valuable assistance to the public in better understanding of insurance policies and in the settlement of claims.

We continue to find it most expeditious to co-operate in every way possible with the National Association of Insurance Commissioners, the which Association provides a common forum for problems of the industry, promotes uniformity among all states in the reasonable regulation of insurance, and prospers fair competition. With your approval, as Commissioner of Insurance, I shall continue to actively participate in this Association's affairs and deliberations.

We welcome the new laws dealing with the regulation of professional bondsmen and the upward revision of capital and surplus requirements. For this and other needed legislation in the field of insurance—the Forty-fourth General Assembly and you, Governor Love, have not alone our thanks, but also the thanks of all Coloradans whom you have thereby served so well.

When you are considering new legislation, we would recommend your consideration of the following:

1. The enactment of the National Association of Insurance Commissioners' Model Law as it pertains to the regulation of Credit Life and Credit Accident and Health insurance. Such legislation was introduced in 1959 and again in 1961. According to the Journal in the Legislative Reference Office, the 1961 Bill was also postponed indefinitely.

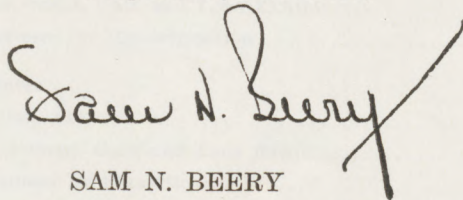

2. All domestic title insurance companies should be brought under insurance laws rather than banking and/or corporation and/or insurance law as is the option of all domestic title insurance companies at present.

3. Serious consideration should be given to the establishment of the office of State Fire Marshal.

4. A statute declaring it to be a felony or a misdemeanor for an insurance agent or broker to misrepresent any policy of insurance to a member of the public.

Your Insurance Department acknowledges, with sincere appreciation, the continuous and sincere co-operation that we always had under your predecessor, the Honorable Stephen L. R. McNichols, whose term of office expired during the year of this Report, and we do gratefully acknowledge your assistance and your sincere understanding of our problems evidenced so early in your administration. Indeed, it is a tribute to your devotion to good government and to the welfare of the people of the State of Colorado.

Respectfully submitted,

SAM N. BEERY

*Commissioner of Insurance*
