FOREWORD

Highlights of Fiscal 1965-1966

RECEIPTS from premium taxes increased 5.8 percent to \$8,465,385.22. Individual license and examination fees increased 28.16 percent to \$196,043.00. Total receipts, including these two items, amounted to \$8,787,350.01 or 6.26 percent more than in the previous year. All of these sums were paid into the General Fund for legislative appropriation for the financial needs of the state government. \$313,107.40 was spent, after appropriation, for operating the Insurance Department.

DOMESTIC INSURANCE COMPANIES in Colorado numbered 54, of which 29 were life companies, 10 casualty, and 15 writing other lines of insurance. 754 Foreign (non-Colorado) companies were licensed to operate as of December 31, 1965. Of these, 307 were life companies and 392 were multiple line and/or casualty companies.

INSURANCE SALES reflected gains commensurate with, or in excess of gains in business in general in Colorado. Premium income from all lines increased \$21,672,262.00 to \$403,061,703.00. The life companies accounted for \$12,056,339.00 of the increase while multiple lines accounted for \$6,552,592.00.

CLAIMS PAID of all kinds amounted to \$222,734,419.00, an increase of 3.91 percent.

LIFE INSURANCE IN FORCE increased more than six percent. Just as important as this increase was the fact that the substantial cash value increases were also reflected for the benefit of insureds themselves. A substantial portion of these increases were invested in Colorado businesses, mortgage loans, and other mediums which stimulated the general business activity in the state.

AGENT'S LICENSES were placed on the computer as of January 1, 1966. This will make it possible to issue new individual licenses, distinctively marked each year. It is hoped that the insuring public will become accustomed to asking to see the license of each agent not already known to them.

LEGISLATIVE ACTION was absent as far as insurance law is concerned due to 1966 being a limited legislative year. However, it is hoped that the Colorado General Assembly will give consideration to several areas of need in 1967. There is still a great need for the creation of the office of Fire Marshal. Because past years have seen many new insurance companies chartered, stock in them sold, and yet they have never qualified for licenses to sell insurance in Colorado, there is serious need to review the laws pertaining to such formations. Stricter control of changes of control and ownership of companies.
