BIENNIAL REPORT
OF THE
AUDITOR OF STATE
OF THE
STATE OF COLORADO
1927-1928

W. D. MACGINNIS, *State Auditor*

To His Excellency,

WM. H. ADAMS,

Governor of the State of Colorado.

SIR:

In compliance with the law, I take pleasure in submitting herewith my report for the biennial period ending November 30, 1928.

LEGISLATIVE APPROPRIATIONS, 1927 AND 1928

The total appropriations for the period now ending (including the continuing or statutory appropriations, amounting to \$563,860.00) was \$5,956,275.98.

The revised estimate of revenue for the period, after the Twenty-sixth General Assembly had transferred some thirteen Cash Funds into the General Revenue Fund, was \$4,660,000.00.

Because the collections from various sources through the period exceeded this estimate, it was found possible to pay appropriations to the amount of \$5,146,197.76.

The difference between the appropriations made and the appropriations paid, which was charged off, amounted to \$810,078.22.

SURPLUS SINKING FUNDS

Since the redemption of the State Bonds, Series 1897 and 1909, there remain small balances in each of these Sinking Funds. It might be advisable that the legislature authorize the Treasurer and Auditor to place such balances, together with later small accruals, in the General Fund.

Also, on November 30, 1928, there remained outstanding and unpaid of the National Defense Bonds, Series 1917, \$229,000.00. The income during the next biennium from the Foreign and Domestic Corporation License Tax, from which income the interest on and redemption of these bonds is paid, will be more than ample to care for the bonds of this issue still outstanding, and will leave a surplus in excess of \$100,000.00. It might be advisable that the legislature authorize disposition of this surplus.

DEPARTMENT OF BUILDING AND LOAN ASSOCIATIONS

I recommend that the Deputy Inspector of Building and Loan Associations be given one examiner to assist in examining all building and loan associations at such salary, etc., as would be commensurate with the duties to be performed.

The salary of the Deputy Inspector, which at present is \$2,000.00 per annum, is hardly adequate, and I recommend that the legislature consider the advisability of providing such compensation as this position seems to merit.

CONCLUSION

Particularly, I wish to acknowledge the many courtesies for which I am indebted to Your Excellency and the other state officials. The spirit of co-operation and the amicable relations existing between this office and that of the State Treasurer have been especially gratifying and I gratefully commend the fidelity and ability of my fellow office workers, whose efficiency has been of great assistance throughout my term as Auditor.

Respectfully submitted,

W. D. MacGINNIS,
Auditor of State.

It is impossible for the State Auditor to make a practical estimate of the probable expenditures for the biennial period, 1929-1930. The fact that there is \$563,260.00 of continuing appropriations now on the statute books should be taken into consideration by the Finance and Appropriation Committees.
