REPORT
of the
AUDITOR OF STATE
of the
STATE OF COLORADO
July 1, 1930, to June 30, 1932

W. D. MACGINNIS, *State Auditor*

To His Excellency,
WM. H. ADAMS,
Governor of the State of Colorado.

Sir:

Acting under the provisions of the law, I have the honor to submit herewith my report covering the transactions of this department for the two fiscal years beginning July 1, 1930, and ending June 30, 1932.

The total appropriations made by the legislature for the biennial period 1931-1932 amounting to \$6,516,640.96.

The total revenue, actual and estimated, was \$6,107,017.54, which, with the aggregate of the unused balances of the appropriations, leaves a deficit of approximately \$360,000.00.

Revenue applicable to the general fund shows a slight decrease in all departments.

The bonded indebtedness of the state has been materially reduced, the figures showing that \$1,663,000.00 has been paid during the past two fiscal years, leaving, on June 30, 1932, a total bonded indebtedness of \$7,346,100.00. The \$1,500,000.00 of 1923 Highway Bonds, still outstanding, will be called and retired on June 1, 1933.

CONCLUSION.

The fine co-operation and many personal courtesies shown me by Your Excellency and the other state officials have been very gratifying. My fellow office workers have shown splendid loyalty and efficiency and I desire hereby to express my sincere appreciation.

Respectfully submitted,

W. D. MACGINNIS,
Auditor of State.

November 1st, 1932.

HON. WM. D. MacGINNIS,
Auditor of State,
Denver, Colorado.

Dear Sir:

I submit herewith the report of the department of Public Examiner for the biennial period ending June 30th, 1932, for state offices and the biennial ending December 31st, 1931, for all county offices.

The classification of receipts and expenditures into groups of similar activities makes possible a comparative analysis of the amounts received or disbursed during each period upon items of similar nature. This is shown in the percentage charts on pages 62 and 64.

Operating expenses have been segregated under the following headings: Salaries, maintenance, equipment, lands and buildings and miscellaneous, in order to make a more equitable basis for comparison. Miscellaneous items represent athletic fees and trust funds in educational institutions, inmates' deposits in penal and eleemosynary institutions, remittances to counties, cities or individuals from the State Auditor on apportionment of gasoline tax, motor vehicle licenses, general school, forest reserve, mineral leasing, firemen's pension, policemen's pension and payments made by the Compensation Insurance department.

Schedules are included showing the receipts and expenditures in the sixty-three counties of the state for the offices of Commissioner, Treasurer, Recorder, Sheriff, County and District Courts for the years 1930 and 1931 with 1929 for comparison. The expenditures of each County Treasurer are also segregated to show the taxes remitted to the State Treasurer, the expense of county, road, school, cities, irrigation and miscellaneous.

Section 2 of H. B. No. 537, S. L. 1931, called for an audit of the several counties in the use and expenditure of all state road funds. Schedules are included showing the amounts received by each county from the state to be used for road purposes and the amounts collected by each county from taxes or any other source. The expenditures have been segregated to show the amounts spent for salaries, equipment, lumber, culverts, steel, cement, gravel, etc. From records obtainable there is also shown the amounts spent on state and county roads. Warrants amounting to \$6,309,357.75 were issued by the sixty-three counties for road purposes. The separate reports show that approximately \$68,594.11 had been used for purposes other than that for which the money was intended.

Respectfully submitted,

J. M. WOOD,
Public Examiner.
