REPORT
of the
AUDITOR OF STATE
of the
STATE OF COLORADO

July 1, 1932, to June 30, 1934

BENJ. F. STAPLETON, *Auditor of State*

To His Excellency,

ED C. JOHNSON,
Governor of the State of Colorado.

Sir:

Acting under the provisions of the law, I have the honor to submit herewith my report covering the transactions of this department for the two fiscal years beginning July 1, 1932 and ending June 30, 1934.

The total appropriations from the General Fund made by the 29th General Assembly for the biennial period 1933-1934 amounted to \$5,471,550.00.

In addition to the above appropriation for the years 1933-1934, deficiency appropriations for various departments and institutions and for the expense of the regular and extra sessions of the legislature amounting to \$436,734.00 were paid from the revenue of 1932.

The total revenue of the General Fund for the years 1933-1934, both actual and estimated, is \$5,560,563.15, indicating that all appropriations can be paid in full.

The bonded indebtedness of the state was materially reduced, the bonded debt on June 30, 1932, being \$7,346,200.00. Bonds in the amount of \$2,075,000.00 were retired during the period, leaving \$5,271,200.00 outstanding on June 30, 1934.

The interest on deposits of state funds has diminished materially. For the biennial period ending June 30, 1932, the interest collections were \$165,344.18. Owing to the unusual banking conditions the interest collected for the biennial period ending June 30, 1934, was only \$21,423.29.

The table of tax collections shown on page 8 under the head of "State Valuation, Mill Levy, Tax Collections, etc.," will undoubtedly prove interesting to the people of the State of Colorado. We are happy to report that the reductions shown represent a saving to the taxpayers without impairment of efficient operation of any department of state.

The fine co-operation of Your Excellency and the other state officers has been most gratifying. To my fellow office workers I express my sincere appreciation for their splendid loyalty and efficiency.

Respectfully submitted,

BENJ. F. STAPLETON,
Auditor of State.

REPORT
OF
PUBLIC EXAMINER

October 20, 1934.

HONORABLE BENJAMIN F. STAPLETON,
Auditor of State,
Denver, Colorado.

Dear Sir:

I submit herewith the report of the Department of Public Examiner for the biennial period ending June 30, 1934, including all State institutions, boards, bureaus or commissions and for the biennial ending December 31, 1933, including all county offices.

Schedules shown on pages 64 to 70 classifying all State activities into groups makes possible a comparative analysis of the amounts received and expended for three successive years upon items of similar nature.

Operative expenses are segregated under the following: Salaries, maintenance, equipment, lands and buildings and miscellaneous—in order to make an equitable basis for comparison. Miscellaneous items represent athletic fees and trust funds in educational institutions, inmates' cash in penal and eleemosynary institutions, remittances to counties, cities and individuals from the State on apportionments of gasoline tax, motor vehicle licenses, public school, highway reimbursements, blind benefit, forest reserve, mineral leasing, old age pension, national recovery secondary, firemen's pension, police pension and loss payments made by the compensation insurance and the hail insurance departments. These schedules covering the above for three years are shown on pages 146 to 157.

Schedules are included showing the receipts and expenditures in the sixty-three counties of the State as shown by semi-annual statements submitted and on file in this department for the following offices: Commissioners, Recorders, Sheriffs, County Courts, District Courts and Treasurer for the years 1932 and 1933, with 1931 for comparison. The expenditures of each Treasurer are segregated to show the taxes remitted to the State Treasurer, the expenses for county, roads, schools, cities and towns, irrigation and miscellaneous.

Schedules are also included showing the receipts and expenditures by counties for road purposes for the years 1931 and 1933.

Respectfully submitted,

J. M. WOOD,
Public Examiner.
