RE: County Board of Equalization changes for all reporting counties for 2010.

Dear Mr. Mauer:

Wildrose Appraisal Inc. – Audit Division is pleased to submit the changes in assessed values initiated by the County Boards of Equalization (CBOE) in each of the sixty-four counties. This report gives the results of the CBOE decisions by class, subclass and abstract code. Please be advised that the numbers are preliminary for two late reporting counties: Boulder, and Jefferson.

The changes in assessed value do not indicate any significant impact on any of our final conclusions that would cause any class or audited subclass of property to be out of compliance.

This report and its conclusions are based on the abstracts of assessment submitted to the Division of Property Taxation for the 2010 tax year.

WRA appreciates the opportunity to be of service to the State of Colorado.

BOULDER COUNTY

According to Assessor's Reference Library Volume 2, Section 5, Page 1:

Beginning in 1999, the counties of Boulder, El Paso, and Jefferson, and the City and County of Denver have the option to elect to alter the protest process for real property by expanding the assessor's time to answer protests from the last regular working day in June to the last regular working day in August. This gives the assessors an additional 60 days in which to answer protests. The alternate protest process must be requested by the assessor and approved by the board of county commissioners.

39-5-122.7(1) C.R.S. also states:

In the counties of Boulder, El Paso, and Jefferson, and in the City and County of Denver, for any property tax year commencing on or after January 1, 1999, the governing body of such county may, at the request of the assessor, elect to use an alternate protest and appeal procedure to determine objections and protests concerning valuations of taxable real property. Such election shall not be made unless the assessor has requested the use of the alternative protest and appeal procedure. Such election shall be made on or before May 1 of each year and shall be effective for all objections and protests concerning valuations of taxable real property for such year. The governing body of the county shall provide notice of such election to the board of assessment appeals and to the district court in such county.

Wildrose Appraisal Inc. – Audit Division (WRA) has received permission from the Colorado Legislative Council to provide County Board of Equalization (CBOE) reports and Abstract Projections reports when the County Board of Equalization decisions are finalized for Boulder County.

JEFFERSON COUNTY

According to Assessor's Reference Library Volume 2, Section 5, Page 1:

Beginning in 1999, the counties of Boulder, El Paso, and Jefferson, and the City and County of Denver have the option to elect to alter the protest process for real property by expanding the assessor's time to answer protests from the last regular working day in June to the last regular working day in August. This gives the assessors an additional 60 days in which to answer protests. The alternate protest process must be requested by the assessor and approved by the board of county commissioners.

39-5-122.7(1) C.R.S. also states:

In the counties of Boulder, El Paso, and Jefferson, and in the City and County of Denver, for any property tax year commencing on or after January 1, 1999, the governing body of such county may, at the request of the assessor, elect to use an alternate protest and appeal procedure to determine objections and protests concerning valuations of taxable real property. Such election shall not be made unless the assessor has requested the use of the alternative protest and appeal procedure. Such election shall be made on or before May 1 of each year and shall be effective for all objections and protests concerning valuations of taxable real property for such year. The governing body of the county shall provide notice of such election to the board of assessment appeals and to the district court in such county.

Wildrose Appraisal Inc. – Audit Division (WRA) has received permission from the Colorado Legislative Council to provide County Board of Equalization (CBOE) reports and Abstract Projections reports when the County Board of Equalization decisions are finalized for Jefferson County.
