RE: County Board of Equalization changes for all reporting counties for 2011.

Dear Mr. Mauer:

Wildrose Appraisal Inc. – Audit Division (WRA) is pleased to submit the changes in assessed values initiated by the County Boards of Equalization (CBOE) in each of the sixty-four counties. This report gives the results of the CBOE decisions by class, subclass and abstract code. Please be advised that the numbers are preliminary for five late reporting counties: Boulder, Denver, Douglas, Jefferson and La Plata.

The changes in assessed value do not indicate any significant impact on any of our final conclusions that would cause any class or audited subclass of property to be out of compliance.

This report and its conclusions are based on the abstracts of assessment submitted to the Division of Property Taxation for the 2011 tax year.

Boulder, Denver, Douglas, Jefferson and La Plata counties have elected to expand the protest process for real and personal property for 2011. For that reason, the data in this report is the preliminary abstract of assessment information reported to the DPT, with the final data being due on December 20, 2011.

According to Assessor's Reference Library Volume 2, Section 5, Page 1:

“All Colorado counties have an option to elect to alter the protest process for real and personal property by expanding the assessor's time to answer protests from the last regular working day in June to the last regular working day in August. This gives the assessors an additional 60 days in which to answer protests. The alternate protest process must be requested by the assessor and approved by the board of county commissioners, who shall notify the Board of Assessment Appeals and district court, § 39-5-122.7(1), C.R.S.”

39-5-122.7(1) C.R.S. states:

- (1) The governing body of any county may, at the request of the assessor, elect to use an alternate protest and appeal procedure to determine objections and protests concerning valuations of taxable property. The election shall not be made unless the assessor has

requested the use of the alternative protest and appeal procedure. The election shall be made on or before May 1 of each year and shall be effective for all objections and protests concerning valuations of taxable property for the year. The governing body of the county shall provide notice of the election to the board of assessment appeals and to the district court in such county.

WRA has received permission from the Colorado Legislative Council to provide County Board of Equalization (CBOE) reports and Abstract Projections reports when the County Board of Equalization decisions are finalized for these counties.

WRA appreciates the opportunity to be of service to the State of Colorado.
