## EXECUTIVE ORDER

### ESTABLISHMENT OF A CAREER INFORMATION SYSTEM CONSORTIUM

WHEREAS, providing appropriate employment opportunities to all of our citizens and assisting them in choosing satisfying and rewarding career paths are important activities of State Government; and

WHEREAS, a number of State departments, agencies and institutions have undertaken preliminary efforts to better inform our citizens as to available and/or appropriate career opportunities; and

WHEREAS, these departments, agencies, and institutions have agreed to combine their several efforts to avoid overlap of function and duplication of effort; and

WHEREAS, the Federal Government has provided funds to assist the State in developing a system to provide more reliable and more accessible career information to our citizens;

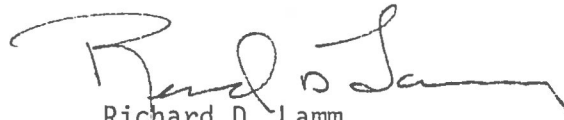

NOW, THEREFORE, I Richard D. Lamm, Governor of the State of Colorado, by virtue of the authority vested in me under the laws of the State of Colorado, do hereby order and direct:

1. The creation of an inter-agency Consortium and Governing Board for a Colorado Career Information System to carry out the purposes described in the recently approved Occupational Information Systems Program Grant proposal and agreement. The Career Information System Consortium shall operate under the constitution as in the appendix to the grant proposal and amended.
2. The Consortium is empowered to employ a Project Director and supporting staff in accord with the terms of the Federal grant and consistent with standard procedures of the State.
3. The Executive Budget Office (Division of Budgeting of the Office of State Planning and Budgeting) shall serve as fiscal agent for the Consortium for all funds which may be received from any source and/or appropriated by the State in support of development of a Colorado Career Information System during the period of development or until recommendations for permanent operation of the System have been implemented.

4. The Executive Order titled "Establishment of an Interim Career Information System Committee" and dated July 26, 1974, is hereby cancelled and the Interim Committee is dissolved.

5. This order supercedes any previous orders relating to the establishment of a career information consortium.

GIVEN under my hand and the Executive Seal of the State of Colorado this eighteenth day of March, A.D., 1980.

Richard D. Lamm
