EXECUTIVE ORDER

By memorandum dated November 1, 1978, I appointed a project review committee with reference to the fruit grower/labor situation. The committee was directed to conduct inquiries and investigations into a program administered by the Colorado Department of Labor and Employment.

I direct that all agencies and employees of the State of Colorado cooperate fully with the committee, or its appointed representative, and furnish full and complete records and/or information requested.

I further direct that my office is to be notified immediately of any complaint by any employee of this state that because of their cooperation with the committee their position with the state is in any way put in jeopardy, or that they are subject to any threats or pressures due to such cooperation.

GIVEN under my hand and the Executive Seal of the State of Colorado, this Thirteenth day of December, A.D., 1978.
