

State of Colorado

EXECUTIVE CHAMBERS

DENVER

RICHARD D. LAMM
GOVERNOR

EXECUTIVE ORDER

DISTRIBUTION OF STANDARD OIL COMPANY (INDIANA) AND BELRIDGE OIL COMPANY OIL OVERCHARGE REFUNDS

WHEREAS, the Department of Energy entered into consent agreements with Standard Oil Company (Indiana) and Belridge Oil Company which provided that states will be permitted to submit plans for the use of these funds; and

WHEREAS, Colorado's allocation of the Standard Oil Company (Indiana) consent agreement is \$387,135; and

WHEREAS, Colorado's allocation of the Belridge Oil Company consent agreement is \$1,254; and

WHEREAS, the Department of Energy has indicated the plans submitted by the state should benefit purchasers of motor gasoline and middle distillate within those jurisdictions;

NOW, THEREFORE, I, Richard D. Lamm, Governor of the State of Colorado, pursuant to the consent agreements mentioned above, DO HEREBY ORDER THAT:

- 1) \$65,000 is to be used for energy conservation as it relates to utility regulation. This money will be distributed to the Department of Regulatory Agencies.
- 2) \$35,000 is to be used for policies affecting the procurement practices of the state and its political subdivisions to improve energy efficiency. This money will be distributed to the Department of Administration.
- 3) \$23,000 is to be used for projects related to improved energy efficiency as it relates to the transportation sector. This money will be distributed to the Department of Highways.
- 4) \$50,000 is to be used for projects related to the Energy Extension Service program. This money will be distributed to the Office of Energy Conservation.
