EXECUTIVE ORDER

TRANSFER OF FUNDS

FROM THE U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
TO THE COLORADO DEPARTMENT OF LOCAL AFFAIRS

WHEREAS, the Department of Health and Human Services is the recipient of funds under the Low-Income Home Energy Assistance Act of 1981 (P.L.97-35); hereafter referred to as the Low-Income Energy Assistance Program (LIEAP);

WHEREAS, the Colorado Department of Social Services is the recipient of funds for the LIEAP Program;

WHEREAS, the Low-Income Energy Assistance Act of 1981 allows up to fifteen (15) percent of the funds to be used for low-cost residential weatherization or other energy-related home repair for low-income households;

WHEREAS, LIEAP received moneys from the Department of Health and Human Services Leveraging Incentive Program for using Petroleum Violation Escrow funds for low-cost residential weatherization and other energy-related home repairs in Federal Fiscal Year 1991;

WHEREAS, it has been determined that the provisions of low-cost residential weatherization services will provide long-range benefits for Colorado's low-income population;

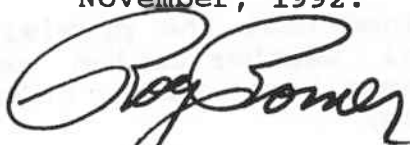

WHEREAS, the Division of Housing in the Colorado Department of Local Affairs has experience in providing low-cost weatherization services to low-income populations;

WHEREAS, the Division of Housing in the Colorado Department of Local Affairs is best able to use the weatherization funds to serve Colorado's low-income population;

NOW, THEREFORE, I, Roy Romer, Governor of the State of Colorado, pursuant to the authority vested in me under the Constitution and laws of the State of Colorado, DO HEREBY ORDER THAT:

1. The Colorado Department of Local Affairs is designated as the responsible agency to administer a low-cost weatherization program;
2. The Low-Cost Weatherization Program shall be administered in accordance with all federal laws and regulations;
3. The Department of Local Affairs shall receive \$3,461,814 from the Colorado Department of Social Services, including \$226,731 for administrative costs and \$3,235,083 for weatherization services. Of the total, \$3,405,552 shall come from the LIEAP Block Grant and \$56,262 from the Leveraging Incentive Program award.
4. Due to a significant level of delayed funding to the Department of Social Services, the Department of Local Affairs shall not expend more than \$1,000,000 of the above total prior to September 30, 1993. The remaining \$2,461,814 shall be available after September 30, 1993.

GIVEN under my hand and the Executive seal of the State of Colorado this 10th day of November, 1992.
