EXECUTIVE ORDER

For the Transfer of Funds from the U.S. Department of Health and Human Services, Low Income Home Energy Assistance Program, to the Governor's Office of Energy Management and Conservation

Pursuant to the authority vested in the Office of the Governor of the State of Colorado, I, Bill Owens, Governor of the State of Colorado, hereby issue Executive Order transferring funds to the Office of Energy Management and Conservation weatherization assistance program.

1. Background and Need.

The U.S. Department of Health and Human Services is the recipient of funds under the Low-Income Home Energy Assistance Act of 1981 (P.L. 97-35) hereafter referred to as the Low-Income Energy Assistance Program (LIEAP). The Colorado Department of Human Services is the recipient of funds for the LIEAP Program. The Low-Income Home Energy Assistance Act of 1981 allows up to 15 percent of the funds to be used for low-cost residential weatherization or other energy related home repair for low-income households. Low-cost residential weatherization services for Colorado's low-income households will provide long-range benefits for Colorado. The Governor's Office of Energy Management and Conservation is best able to use the weatherization funds to serve Colorado's low-income population.

2. Designation

I hereby designate the Office of Energy Management and Conservation as the responsible agency to administer a low-cost weatherization program. The low-cost weatherization program shall be administered in accordance with all federal laws and regulations.

3. Directive

The Colorado Department of Human Services shall transfer \$4,735,519 to the Office of Energy Management and Conservation to conduct a low-cost weatherization program. Of the total \$4,701,355 shall come from the LIHEAP Block Grant and \$34,164 from the Leveraging Incentive Program award.

4. Past Orders Superseded and Replaced

This Executive Order shall supersede and replace all previous executive orders designating the responsible agency to administer the Low-Income Energy Assistance program.

5. Duration

This Executive Order shall remain in effect until further modification or rescission by Executive Order.

GIVEN under my hand and the
Executive Seal of the State of
Colorado, this 7th day of
February, 2006.

Bill Owens
