BACKGROUND SUMMARY

Executive and management experience in insurance and government program administration including worker's compensation, independent medical evaluation, labor, industrial regulation, job training, public assistance and human services. Substantial skill in analysis, planning, evaluation, persuasion and negotiation. Strong analytical capabilities. Strong track record of creating and implementing strategies and programs to better serve citizens or customers and minimize costs with proven abilities in creating vision, direction, focus and alignment of staff. Excel at hiring and training staff to achieve goals. Experience includes:

- Self employed owner of small business providing consulting and management services including administration of the Colorado PIP IME Program.
- Worker's Compensation insurance claims management including overall reduction of costs and improvement in closure ratio and better service to citizens.
- Medical provider management which increased service and reduced expense.
- Litigation management geared toward reduction of litigation volume and cost.
- Management of a governmental major medical and a second injury fund wherein costs were reduced and an assured revenue stream was established.
- Establishment of performance based contracts for job training and placement, vocational rehabilitation, investigations and medical case management.
- Government agency management including the Colorado Division of Labor, the Colorado Office of Rural Job Training, Office of Intergovernmental Affairs (Dept. of Social Services) and several other labor and human services government program responsibilities
- Directing the achievement of first comprehensive study of Colorado's Workers' Compensation system, which ultimately led to statutory reform in 1991.
- Achievement of successful legislative lobbying including bill drafting, obtaining sponsorship, providing testimony, and influencing legislators.

PROFESSIONAL EXPERIENCE

OFFICE OF THE DOUGLAS COUNTY PUBLIC TRUSTEE, Castle Rock, CO **August 2008 to present**

Chief Deputy Public Trustee

Supervise the operations of the Office of the Public Trustee. The Office performs review and approval of Release of Deeds of Trust, managing the foreclosure process and the utilization of the database that supports the foreclosure process, performing all the banking automated functions of the Office of the Public Trustee, providing information to the public concerning the foreclosure process or information specific to a given foreclosure.

SELF EMPLOYED CONSULTANT, Parker, CO **February -April, 2008**

Consultant

Performed a three month evaluation of the Colorado Dept. of Human Services Veterans and State Nursing Homes to identify the causes and solutions for the rising costs of Workers' Compensation coverage in the facilities. Submitted a forty-eight page report.

RMH ADMINISTRATORS, Parker, Colorado **1998- 2006**

Owner

Provided consulting, management and administration services including the administration of the Colorado Personal Injury Protection Independent Medical Examination (PIP IME) Program as a contractor to the Colorado Division of Insurance. Overhauled the program database to comply with statute, improved all administrative aspects including response time, training, and customer service. Managed a panel of more than one thousand doctors. Processed thousands of independent medical exam requests each year. Provided consulting, educational and expert testimony services.

COLORADO COMPENSATION INSURANCE AUTHORITY, Denver, Colorado **1990 – 1998**

Vice President

Reported to the President. Responsible for a budget of \$10 million and annual claims expenditures in excess of \$250 million. Managed a staff of 250. Responsible for the claims, legal, provider relations, medical and investigations functions.

- ◆ Achieved a 17% reduction in average cost per claim, the lowest average cost per claim among all insurers according to the Insurance Commissioner's 1996 "Closed Claim Study".
- ◆ Directed the implementation of a preferred medical provider network employing managed care principles and techniques to workers' compensation claims saving an average 8% of costs.
- ◆ Directed a legal group which reduced legal fees and hearings by 40%.
- ◆ Established a comprehensive investigations unit achieving a 100% increase in fraud

- prosecution referrals.
- ◆ Re-engineered medical claims processing resulting in a 15-day turnaround and 25% savings from billed charges.
- ◆ Improved the overall management of claims by creating multidisciplinary teams to assist in evaluating and assisting injured workers for the purpose of providing excellent medical care and timely disability payments in order to return them to the workforce as able contributors.

COLORADO DIVISION OF LABOR, Denver, Colorado

1985 – 1990

Director

Reported to the Executive Director. Responsible for 125 employees and the administration of worker's compensation, labor and several industrial inspection programs. Budget management of over \$4 million and special fund annual claims payments of over \$25 million.

- ◆ Reconstructed the statewide medical fee schedule bringing it up to date with new CPT codes, conversion factors, a physical medicine schedule, hospital per diems, and a pharmacy schedule.
- ◆ Set up a mechanism to fully fund the major medical and second injury funds and proposed and implemented a self-insured guaranty fund. Proposed and implemented a cash funding mechanism for the administration of the Worker's Compensation system.
- ◆ Directed the achievement of first comprehensive study of Colorado's Workers' Compensation system.

OFFICE OF RURAL JOB TRAINING, Denver, Colorado

1983 – 1985

Director

Reported to the Executive Director, managed a staff of 30 and several community based contractors. Provided job training, placement and follow-up services to qualified persons in 45 counties. Implemented performance contracting resulting in substantial improvement in services and training and a 25% increase in sustained job placements. Successfully developed policy, procedures, priorities and evaluation mechanisms working with two Boards of Directors: a County Commissioner Board and a Private Industry Council.

OFFICE OF INTERGOVERNMENTAL AFFAIRS, Colorado Department of Social Services
Denver, Colorado

1979 – 1983

Director

Reported to the Executive Director and managed a staff of five. Represented the entire Department of Social Services which included the Medicaid Program to the state legislature. Directed the agency's regulatory functions, public relations, contracting and adjudication responsibilities and the Department's contract with the Attorney General. Achieved a 99% success rate in obtaining legislative passage of bills during four regular legislative sessions.

EDUCATION

St. Thomas Seminary College, Denver, Colorado Bachelor of Arts , Major: Philosophy,
Minors: History, Education

St. Thomas Seminary School of Theology, Denver, CO two years of Theological studies

Workers' Compensation College, Duke University

International Association of Industrial Accident Boards and Commissions. Attended an intensive forty-hour course in all aspects of governing workers' compensation.

Numerous Management and Leadership seminars, workshops and courses throughout my career.

COMPUTER SKILLS

Microsoft Word, Excel and Access, the Internet and large database report criteria identification.
