John Hickenlooper
Governor

Dear Fellow Coloradans:

We have described a vision for Colorado where “everyone has the opportunity to pursue their passions, secure personal prosperity and contribute to the community.” We’ve worked with and heard from thousands of Coloradans through the Bottom-up Economic Development Plan and TBD Colorado. We appreciate everyone who has participated, as well as their thoughts and concerns. Another way Colorado residents can participate and help achieve this vision is by serving on a state board or commission.

The Governor’s Office of Boards and Commissions is continually looking for qualified candidates. The process to be considered to serve on a board or commission is simple. An application can be found at the end of this book and online at www.colorado.gov/governor.

Our website and this book have descriptions of the many boards and commissions that are seeking candidates in 2013. These boards and commissions oversee a large variety of subjects and make wide-ranging decisions that affect your day-to-day lives as Coloradans. They provide the opportunity to promote education, to put more Coloradans to work and to develop and protect the resources of our beautiful state.

Thank you for your interest and willingness to serve.

Sincerely,

John Hickenlooper
Governor
