FY 2020-21 County Grant Program
Project Summaries

County	Project Title	Project Summary and Description	Total Budget	Cost Allocation % (Medicaid related)	Grant Funded Portion	County-Funded Portion
Archuleta	Quality Assurance and Reducing Medicaid Errors	To improve quality assurance by implementing a practice of peer to peer quality review. The practice will allow for each of our eligibility technicians to review a sample of another's work, assist in cross-training and identifying trends related to eligibility determinations and possible errors.	$8,678.40	100%	$8,678.40	$0.00

Fremont	Upscaling Services	To review and develop current and new processes to ensure that we are not missing any steps that affects the services provided to the customers.	$61,473.80	40%	$24,589.52	$36,884.28
Gilpin	Use a Methodology approach to Reducing Medicaid Errors and improving Customer Service	To implement Methodologies to look at reducing Medicaid error and improving customer services. Gilpin County will have the opportunity to review current practice and design policy and procedure. By learning about our current practice, Gilpin County will be able to produce better outcomes around customer service, untimely disenrollment's, clearing up any backlog and keeping current moving forward.	$43,550.00	100%	$43,550.00	$0.00

Gunnison	Health First Colorado Community Specialist	Gunnison County will collaborate with local Health First Colorado Providers and local institutions and agencies to implement a person centered position focused on customer service and member health.	$21,245.00	100%	$10,622.50	$10,622.50
Lake - CHSDA	Health First Colorado Provider Network Expansion & Support	Help counties expand the HFC provider network in their areas. Offer providers training and support with enrollment, billing, payments, and RAE interface.	$498,953.00	100%	$412,559.58	$86,393.42
