### Provider manual revision

#### Authorizing agent for high-tech beds and EBI bone stimulators

Appendix C in the provider manual contains an error in the authorizing agent for high-tech beds and EBI bone stimulators. The authorizing agent for both is the fiscal agent, not the PRO.

#### Power wheelchair and scooter clarification

The PRO reviews PARs for power wheelchairs and scooters. The fiscal agent reviews PARs for repairs and modifications for power wheelchairs and scooters.

#### Please replace:

Appendix page C-1, dated 10/98 with page C-1, dated 01/99.

The revised appendix page contains the correct information and clarifies the authorizing agent responsibilities for power wheelchairs and scooters.

The corrected appendix page is in the Appendices in the Provider Manual section.

Medicaid bulletins contain important policy and billing information and should be shared promptly with billing staff.

Bulletins supplement information in the Medicaid Provider Manual and should be retained with the provider manual for reference. Retain all bulletins until published notification advises that the information is obsolete or reproduced in subsequent bulletins or provider manual updates.

Please direct questions about bulletins and billing information to Medicaid Provider Services.
