Medicaid bulletins contain important policy and billing information and should be shared promptly with billing staff.

Bulletins supplement information in the Medicaid Provider Manual and should be retained with the provider manual for reference. Retain all bulletins until published notification advises that the information is obsolete or reproduced in subsequent bulletins or provider manual updates.

Please direct questions about bulletins and billing information to Medicaid Provider Services.

Temporary suspension of Model and Serial numbers for AMP claims

Effective February 1, 1999, electronically submitted supply claims do not require inclusion of the Model and Serial numbers. This includes all interactive electronic transactions and all batch electronic submissions.

Entry of this information is temporarily suspended for electronic claims only. Supply claims submitted on paper still require the Model and Serial numbers when applicable.
