Provider manual addition

This bulletin includes provider manual appendix pages for the CO-1500, UB-92, Dental and Pharmacy manuals. Pharmacy providers should use this appendix when referencing to Supply/DME PAR denials.

Effective with the distribution of this appendix, the following pages should be added to the provider manual:

Add:
Appendix P, Prior Authorization Request Denial Reasons, Pages 1 & 2

Please read the attached appendix carefully and update the provider manual.

Each Medicaid-enrolled provider receives a single copy of the provider manual. Copy the manual, manual updates, and bulletins as needed. Providers are responsible for making updated billing information available to billing personnel and billing services.

Appendix P is located in "Appendices" of the Billing Manuals section in "Provider Services".

Medicaid bulletins contain important policy and billing information and should be shared promptly with billing staff.
Bulletins supplement information in the Medicaid Provider Manual and should be retained with the provider manual for reference. Retain all bulletins until published notification advises that the information is obsolete or reproduced in subsequent bulletins or provider manual updates.
Please direct questions about bulletins and billing information to Medicaid Provider Services.
