2010 ASC Billing and Procedure Codes

Billing Instruction Update for Ambulatory Surgery Centers (ASCs)

The Colorado Medicaid Program provides benefits for medically necessary Ambulatory Surgery Center (ASC) services. An Ambulatory Surgery Center is an entity that operates exclusively for the purpose of furnishing surgical procedures that do not require hospitalization. An ASC may be part of a hospital, but only if the building space utilized by the ASC is physically separated from other health services offered by a hospital.

Medicaid-enrolled ASC providers must be certified by the Center for Medicare and Medicaid Services (CMS) to participate in the Medicare program as an ASC. The facility must also be licensed by the Colorado Department of Public Health and Environment.

For payment purposes, ASC surgical procedures are grouped into nine reimbursement categories. Colorado Medicaid uses the Healthcare Common Procedural Coding System (HCPCS) to identify surgical services. HCPCS includes all codes published in the American Medical Association's (AMA) Current Procedural Terminology (CPT) and HCPCS Level II codes published by CMS. The AMA and CMS publish annual coding revisions. Medicaid bulletins notify providers when annual coding updates are implemented.

Procedural Coding

Services must be reported using HCPCS surgical procedure codes.

During claim processing, the HCPCS surgical code is linked to the appropriate ASC group for payment calculation.

ASC authorized services

This bulletin contains a complete list of the Medicaid-approved ASC procedure codes effective January 1, 2010. The list is divided into related groups for payment. Only surgical procedure codes that are published in this bulletin are ASC Medicaid benefits.

Reimbursement

For payment purposes, ASC surgical procedures are grouped into nine categories. The Medicaid reimbursement rates effective January 1, 2010 are the lower of billed charges or the maximum allowable payment by group as follows:

| | | | |
|-------------|----------|-------------|-----------|
| ASC GROUP 1 | \$254.58 | ASC GROUP 6 | \$631.49 |
| ASC GROUP 2 | \$340.98 | ASC GROUP 7 | \$760.70 |
| ASC GROUP 3 | \$389.90 | ASC GROUP 8 | \$743.88 |
| ASC GROUP 4 | \$481.64 | ASC GROUP 9 | \$1023.69 |
| ASC GROUP 5 | \$548.16 | | |

Medicaid Program payment calculation

Submitted charges must represent usual and customary charges. Do not adjust charges to correspond to the anticipated Medicaid payment.

Medicaid providers must agree to accept Medicaid reimbursement as payment in full for benefit services. Medicaid clients may not be billed for charges that exceed the Medicaid allowance. Medicaid calculates payment as the provider's billed charge or the established rate for the group, *whichever is less*.

Multiple procedures

When multiple procedures are performed during the same session, the ASC claim should reflect the highest or most complex procedure. Additional payment is not available for multiple or subsequent procedures performed at the same surgical setting.

Medicare crossover payment

Medicaid payment for Part B Medicare crossover claims is made as follows:

1. The sum of reported Medicare deductible and coinsurance **or**
2. The Colorado Medicaid allowed benefit **minus** the Medicare payment, *whichever is less*. Third Party liability payments and Medicaid copay amounts, as applicable, will be subtracted after the crossover allowed payment has been determined.

If the amount paid by Medicare equals or is greater than the Medicaid benefit, the Medicaid program makes no additional payment. This method of determining payment is commonly referred to as "lower-of" pricing.

Note: Except for applicable Medicaid copayment amounts, unpaid balances cannot be billed to the Medicaid client or the client's family.

Services and items included at a minimum, in the ASC reimbursement

1. Use of the facilities where the surgical procedures are performed.
2. Nursing, technician, and related services.
3. Drugs, biologicals, surgical dressings, supplies, splints, casts, and appliances and equipment directly related to the provision of surgical procedures.
4. Diagnostic and therapeutic items and services directly related to the provision of a surgical procedure.
5. Administrative, record keeping and housekeeping items and services
6. All blood products (whole blood, plasma, platelets, etc.)
7. Materials for anesthesia
8. Intra-ocular lenses (IOLs)
9. Supervision of the services of an anesthetist by the operating surgeon.

Services which may be billed separately

The following services/items are not included in the ASC rate and may be billed separately **by the actual provider of services**.

1. Physician services
2. Anesthetist services

3. Laboratory, radiology or diagnostic procedures (other than those directly related to performance of the surgical procedure.)
4. Prosthetic devices (except IOLs)
5. Ambulance services
6. Leg, arm, back and neck braces.
7. Artificial limbs
8. Durable medical equipment for use in the client's home

Billing procedures

ASC facility claims are submitted on the 837-P or Colorado 1500 claim form. Claim completion instructions are described in the Billing Information and the Specialty Billing Information sections of the Medicaid Program Provider Manual. The following instructions supplement the provider manual and are specific to ASC facility services claims. ASC information does not apply to other provider types.

ASC claims should be submitted electronically. Electronic claims submission reduces billing expense and claims processing time. Information about electronic claims submission may be obtained from the ACS Electronic Data Interchange (EDI) Support at 1-800-987-6721, Monday through Friday from 6 AM to 5 PM Mountain Time.

Procedure codes: ASCs identify services using HCPCS surgical procedure codes. During claim processing, the surgical code is linked to an appropriate ASC group for payment calculation.

Implantable prosthetics: The following implantable prosthetic HCPCS codes are approved for billing by the ASC or the surgeon on the 837-P or CO 1500 claim form:

- L8600 Implantable breast prosthesis, silicone or equal
- L8603 Injectable bulking agent, collagen implant, urinary tract, 2.5 ml syringe, includes shipping and necessary supplies
- L8606 Injectable bulking agent, synthetic implant, urinary tract, 1 ml syringe, includes shipping and necessary supplies
- L8610 Ocular implant
- L8612 Aqueous shunt
- L8613 Ossicular implant
- L8614 Cochlear device / system
- L8619 Cochlear implant external speech processor, replacement
- L8630 Metacarpophalangeal joint implant
- L8631 Metacarpal phalangeal joint replacement, two or more pieces, metal (e.g., stainless steel or cobalt chrome), ceramic-like material (e.g., pyrocarbon), for surgical implantation (all sizes, includes entire system)
- L8641 Metatarsal joint implant
- L8642 Hallux implant
- L8658 Interphalangeal joint spacer, silicone or equal, each
- L8659 Interphalangeal finger joint replacement, two or more pieces, metal (e.g., stainless steel or cobalt chrome), ceramic-like material (e.g., pyrocarbon) for surgical implantation, any size
- L8670 Vascular graft material, synthetic, implant
- L8689 External recharging system for battery (internal) for use with implantable neurostimulator
- V2785 Processing, preserving and transporting corneal tissue

Billing information

The ASC is responsible for obtaining required billing information from the surgeon. ASC providers are required to verify Medicaid eligibility before services are rendered. If eligibility is not verified, payment may be denied.

ICD-9-CM diagnosis: The diagnosis field(s) must be completed with an appropriate ICD-9-CM diagnosis code(s).

Place of service: Complete the Place Of Service (POS) field with a "24" for ASC facility charges.

Note: Electronic billers should consult the software instructions to assure that POS coding is submitted properly.

Rendering provider: Complete with the 8-digit Medicaid provider number assigned to the operating surgeon.

Referring provider: If the client is enrolled in the Primary Care Physician (PCP) program and the operating surgeon is not the PCP, the PCP's Medicaid provider number must be entered in this field. PCP- enrolled clients must obtain PCP referral if surgical services are performed by a physician other than the PCP. If the client does not have an assigned PCP, this field may be left blank.

Sterilization procedures: All sterilization claims must have an attached copy of a properly completed MED-178 sterilization consent form. The surgeon is responsible for providing a copy of the MED-178 to the ASC. Claims without a properly completed MED-178 are denied. Refer to the provider manual for complete billing requirements.

Hysterectomy procedures: Hysterectomy procedures are a benefit of Colorado Medicaid when performed solely for medical reasons. Hysterectomy is not a benefit if the procedure is performed solely for the purpose of sterilization, or if there was more than one purpose for the procedure and it would not have been performed but for the purpose of sterilization. Refer to the provider manual for complete billing requirements.

Medicare crossover claims: Medicaid pays the Medicare deductible and coinsurance **or** the Medicaid-allowed benefit minus the Medicare payment, **whichever is less**. If Medicare's payment equals or is more than the Medicaid allowed benefit, crossover claims are paid at zero.

Most Medicare crossover claims are transmitted electronically from Medicare to Medicaid. If a Medicare claim does not cross automatically, the provider is responsible for submitting a "hardcopy crossover" claim on the CO 1500 claim format. Refer to the provider manual for completed hardcopy crossover claim preparation instructions.

Dental Procedures performed in ASCs

Effective July 1, 2009, CPT code 41899, "unlisted procedure, dentoalveolar structures", was added to ASC Group 9, enabling ASCs to bill for dental services.

Clients ages 0 through 20 and qualifying adult clients with extensive dental needs and/or conditions which compromise the ability of the dentist to provide care in a private office may now be treated by their dentist in ASCs. Dentists will bill fee-for-service Current Dental Terminology (CDT) codes on the 2006 ADA paper claim form and check box number 38 (other) as the place of treatment.

Please direct questions about Colorado Medicaid billing or the information in this bulletin to Medicaid Provider Services at 303-534-0146 or 1-800-237-0757 (toll free).

Please remember to check the Provider Services section of the Department's website at <https://www.colorado.gov/pacific/hcpf/provider-services>.
