Healthcare Common Procedure Coding System (HCPCS) Updates for 2021

In January 2021, Health First Colorado (Colorado’s Medicaid Program) implemented the annual 2021 Healthcare Common Procedure Coding System (HCPCS) deletions, changes, and additions effective for dates of service on or after January 1, 2021. Updates can be found on the [Provider Rates & Fee Schedules web page](#).

Claims billed with HCPCS 2021 procedure codes will suspend for EOB 0000 - “This claim/service is pending for program review” until the updates are completed in the Colorado interChange. The claims will be released once the rates are loaded.

Code descriptions are not contained in this bulletin. The descriptions are copyrighted by the American Medical Association (AMA). Providers should reference their 2021 HCPCS and Current Procedural Terminology (CPT) coding manuals for procedure code descriptions. These coding manuals may be purchased through the AMA and publishers such as OptumInsight.

Discontinued Codes

The following is a list of procedure codes that have been discontinued by the Centers for Medicare & Medicaid Services (CMS) and the AMA. Codes that have been discontinued or cross-referenced to other codes can be found in the 2021 HCPCS and CPT coding manuals. The discontinued procedure codes will not be reimbursed for dates of service after December 31, 2020.
