Quarterly average caseload by county of residence. Source for all caseload data provided is the CHP+ Budget Report generated from the Colorado Benefits Management System, which is the source of official Health Care Policy & Financing (HCPF) caseload numbers for CHP+. The reported caseload includes both children and prenatal women, and omits enrollees in the CHP+ at Work premium assistance program.

\*Data have been suppressed for select counties with smaller populations per HCPF's threshold rule to comply with HIPAA regulations.
