

CHP+ Caseload By County

Table with columns for County Name and months from Jul-18 to Apr-20. It lists caseload numbers for 67 counties, including a Grand Total row at the bottom.

\*As of March 2017, the data source for this program's caseload has changed from the Medicaid Management Information System to the interChange.

\*Counties with fewer than 30 clients are not reported (NR).
