## GRADUATE COUNTS BY COLORADO PUBLIC INSTITUTIONS

## BY LEVEL BY RACE/ETHNICITY AND GENDER FOR STEM PROGRAMS

Source: SURDS Degrees Awarded Files, 2013-2015
Both NSF and ICE STEM designated degree program definitions are used in this STEM degree count and can be found at http://highered.colorado.gov/i3/More/LookupTables.aspx
Counts shown are unduplicated per degree type.
For example, students receiving two or more of the same degree level are counted only once.
Students earning a Certificate and Associate Degree will be counted in each degree category
Counts may differ from other summaries due to missing data at the disaggregate level
Beginning in FY2010, reporting was modified to meet IPEDS requirements:
First Professional category was discontinued, they are included in the Doctorate count
Beginning in FY2011, race/ethnicity reporting was modified to meet IPEDS requirements:
Multiple race/ethnicity categories may be selected, "Hawaiian or Pacific Islander" was separated from Asian and "More than one race/ethnicity (non-hispanic)" was created

In addition, a "rollup" process is used to determine ethnicity if more than one is selected:

> 1) if Non-Resident Alien is selected among multiple, student is reported as "Non-Resident Alien"
> 2) if Hispanic is selected among multiple, student is reported as "Hispanic", not "More than one race/ethnicity"
> 3) if more than one selection, other than either above, student is reported as "More than one race/ethnicity"

## DEGREES/CERTIFICATES AWARDED BY COLORADO PUBLIC INSTITUTIONS

 BY LEVEL BY RACE/ETHNICITY AND GENDER FOR STEM PROGRAMSSource: SURDS Degrees Awarded Files, 2010-2012
Both NSF and ICE STEM designated degree program definitions are used in this STEM degree count and can be found at http://highered.colorado.gov/i3/More/LookupTables.aspx
Counts shown sum all degrees per degree type.
For example, students receiving two bachelor degrees are counted for each degree earned
Counts may differ from other summaries due to missing data at the disaggregate level
Beginning in FY2010, reporting was modified to meet IPEDS requirements:
First Professional category was discontinued, they are included in the Doctorate count
Double majors (multiple programs, one degree) are only counted once. Previously, each program was counted.
Beginning in FY2011, race/ethnicity reporting was modified to meet IPEDS requirements
Multiple race/ethnicity categories may be selected, "Hawaiian or Pacific Islander" was separated from Asian and "More than one race/ethnicity (non-hispanic)" was created

In addition, a "rollup" process is used to determine ethnicity if more than one is selected:

1) if Non-Resident Alien is selected among multiple, student is reported as "Non-Resident Alien"
2) if Hispanic is selected among multiple, student is reported as "Hispanic", not "More than one race/ethnicity"
3) if more than one selection, other than either above, student is reported as "More than one race/ethnicity"
