HISTORY *Colorado*  
STATE HISTORICAL FUND

*State Historical Fund Mission*

*TO FOSTER HERITAGE PRESERVATION THROUGH  
TANGIBLE AND HIGHLY VISIBLE PROJECTS FOR  
DIRECT AND DEMONSTRABLE PUBLIC BENEFIT.*

*The State Historical Fund is a program of History Colorado*

## *What We Do*

*History Colorado preserves the places throughout our state that define our character, embody our past and shape our communities, today and tomorrow. Through the Office of Archaeology & Historic Preservation (OAHP) and the State Historical Fund (SHF), History Colorado manages one of the most robust preservation programs in the country. This program works to save Colorado's past while creating a future that embraces our rich heritage.*

## *Who We Are*

*The State Historical Fund was created by the 1990 constitutional amendment allowing limited gaming in the towns of Cripple Creek, Central City, and Black Hawk. The amendment directs that a portion of the gaming tax revenues be used for historic preservation throughout the state. Funds are distributed through a competitive process and all projects must demonstrate strong public benefit and community support. SHF redistributes these funds to public and nonprofit organizations for the preservation and interpretation of Colorado's architectural and archaeological treasures. The program is administered by History Colorado.*

*History Colorado is headquartered in the History Colorado Center,  
1200 Broadway, Denver, CO 80203 in Denver's Golden Triangle Museum District.*
