The activity that is the subject of the material has been financed in part by Federal funds from the National Historic Preservation Act, administered by the National Park Service, U.S. Department of the Interior. However, the contents and opinions do not necessarily reflect the views or policies of the U.S. Department of the Interior, nor does the mention of the trade names or commercial products constitute an endorsement or recommendation by the Department of the Interior.

This program receives Federal funds from the National Park Service. Regulations of the U.S. Department of the Interior strictly prohibit unlawful discrimination in departmental federally assisted programs on the basis of race, color, national origin, age or handicap. Any person who believes he or she has been discriminated against in any program, activity, or facility operated by a recipient of Federal assistance should write to: Director, Equal Opportunity Program, U.S. Department of the Interior, National Park Service, 1849 C Street N. W., Washington, D.C. 20240.

This document contains a list of persons and companies that have requested to be included in the Office of Archaeology and Historic Preservation Directory of Cultural Resource Management Agencies, Consultants and Personnel for Colorado. This list does not represent an endorsement, recommendation or assumption of responsibility for the quality of work of any consultant. There is no guarantee implicit or implied that any work product produced by those on the list will meet federal or state requirements. We recommend you contact at least three consultants and check references with previous clients.
