*Non-resident headcount has decreased significantly since AY 2010. This is due to a one-time correction in reporting regarding the residency classification of certain populations receiving resident tuition. These populations include members of the Military, Olympic Athletes, participants in the WICHE programs and those utilizing reciprocity and concurrent enrollment agreements. This correction impacted approximately 5,600 students.

Black, non-Hispanic: A person having origins in any of the black racial groups of Africa (except those of Hispanic origin).

Certificate (at least one but less than two academic years work): Requires completion of a program that would be completed in at least one but less than two full-time equivalent academic years, or designed for completion at least 30 but less than 60 credit hours, or in at least 900 but less than 1,800 contact hours.

Certificates (less than one year): Requires completion of a program that would be completed in less than one academic year or less than 900 contact hours by a student enrolled full time.

Continuing: A student who was enrolled previously at the institution at the current level, including readmitted students, but excluding students considered new transfers, HS concurrents, summer only, or study abroad only.

Degree Level: The level of degree/diploma/certificate conferred by the institution upon the student for the successful completion of a program.

Degree-seeking Students: Students enrolled in courses who are recognized by the institution as pursuing: 1) a degree, certificate, or other formal award conferred by a public institution and approved by CCHE, or 2) a degree, certificate, or other formal award conferred by a private institution.

First-time: A student attending post-secondary education for the first time after high school at the level enrolled, where level means undergraduate or graduate.

Glossary*

Hispanic: A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

Non-degree Seeking: Enrolled in courses but does not have intentions of pursuing a formal degree or award.

Non-resident Alien: A person who is not a citizen or national of the United States and who is in this country on a temporary basis and does not have the right to remain indefinitely.

Race/Ethnicity: The group to which an individual appears to belong, identifies with, or is regarded in the community as belonging.

Registration Status: The student's status at the reporting institution.

Student Level: The level at which a student is classified during the term which is being reported, based upon the total credits obtained toward completion of a degree/certificate program.

Transfer: A student for whom this term is the student's first term at the institution at the current level, where level is undergraduate or graduate, and the student is known to have previously attended a postsecondary institution at the same level after high school.

Two-year Program: Enrollment is in a non-vocational, sub-baccalaureate program.

Unclassified: A student enrolled in a degree program but who cannot be classified by academic level (e.g. a transfer student whose credits have not been evaluated).

Vocational Programs: Enrollment is in an occupational specific sub-baccalaureate program.

White, non-Hispanic: A person having origins in any of the original peoples of Europe, North Africa, or the Middle East (except those of Hispanic origin).
