E. WATER QUALITY CERTIFICATIONS (Section 401)

Water Quality Certifications, under Section 401 of the Clean Water Act, provide for Division determinations that federally issued permits and licenses will comply with the Basic Standards and Methodologies for Surface Water, the Basic Standards for Ground Water, surface and ground water classifications and water quality standards, and all other applicable water quality requirements for the affected waters.

- 1. For the purposes of the antidegradation requirements found in Section 31.8 of the Basic Standards and Methodologies, the following projects have been reviewed to make a preliminary determination of the significance of such projects and a draft certification determination. Public comment on these preliminary determinations will be received for thirty days following the date of publication of this newsletter. More information on the specific projects can be obtained from John Hranac (john.hranac@state.co.us), (303) 692-3586) or Christy Pickens (christy.pickens@state.co.us), (303) 692-3584. The U.S. Army Corp of Engineers (COE) may also review these projects, under Section 404 of the Clean Water Act, and a list of their current public notice can be found on their web site.***

NOTICE OF PUBLIC MEETING

The Water Quality Control Division (WQCD) of the Colorado Department of Public Health and Environment has scheduled the following public meeting to hear comments from interested parties on its intent to issue an individual surface-water discharge permit to the Town of DeBeque, Permit # CO0048135 (conversion from COG584043). This meeting is scheduled due to the request of a public meeting during the public comment period.

Date: Wednesday, November 4, 2009
Time: 3-5 pm
Place: DeBeque Community Center
397 Minter Ave, DeBeque CO

A copy of the draft permit is available at local health departments; can be accessed online at www.cdphe.state.co.us/wq/PermitsUnit/publicnotice/publiccomment.html; or can be obtained by calling the WQCD at (303) 692-3517. The draft permit was included on Public Notice No. CO-07-09, published on July 24, 2009.

Written comments on the draft permit will be accepted until 5 p.m. on Friday, November 6, 2009.

Any parties who wish to make a formal presentation at the meeting must submit a written summary of their comments/concerns by October 30, 2009 to kenan.diker@state.co.us (or at the address below). The amount of time available to each presenter shall be determined by the WQCD.

If you have any questions about the public meeting, please contact:
