## MEMORANDUM

**TO:** All Interested Persons (Please forward to the appropriate person in your organization.)

**FROM:** Nancy Horan, Operations Manager  
Water Quality Control Commission

**DATE:** June 21, 2017

**SUBJECT:** Water Quality Hearings Notice Distribution List

*In an effort to ensure that all interested persons receive notices of Colorado Water Quality Control Commission hearings, the Commission office maintains a database of persons/entities that have asked to be informed of upcoming hearings related to specific Commission regulations and/or policies. To be added to this database, we request submittal of a completed [application](#). Once completed, the application can be emailed to the Commission office at [cdphe.wgcc@state.co.us](mailto:cdphe.wgcc@state.co.us). Alternatively, it can be mailed to the Water Quality Control Commission at 4300 Cherry Creek Drive South, Denver, Colorado 80246. It is important that any hand-written forms be legible.*

*If you are already receiving Commission notices, you can fill out the form to update your contact information and notice preferences. By checking the "current" box, you will alert us not to make a duplicate entry. If there are no changes to your contact information or notice preferences, you do not need to respond to this memo. Please be aware that the Commission office routinely removes from the data base those contacts that produce returned mail (whether electronic or conventional). If your contact person or email address has changed during the past year, please re-submit with current information.*

If you would like more information about the Water Quality Control Commission and its activities, please consult our [website](#) or call the Commission office at 303-692-3463.  
*We apologize if you receive multiple copies of this memo. To assure broad distribution, it is being sent to a variety of mailing lists.*

## D. WATER QUALITY CERTIFICATIONS (Section 401)

*Water Quality Certifications, under Section 401 of the Clean Water Act, provide for Division determinations that federally issued permits and licenses will comply with the Basic Standards and Methodologies for Surface Water, the Basic Standards for Ground Water, surface and ground water classifications and water quality standards, and all other applicable water quality requirements for the affected waters.*

- For the purposes of the antidegradation requirements found in Section 31.8 of the Basic Standards and Methodologies, the following projects have been reviewed to make a preliminary determination of the significance of such projects and a draft certification determination. Public comment on these preliminary determinations will be received for thirty days following the date of publication of this newsletter. More information on the specific projects can be obtained from John Hranac ([john.hranac@state.co.us](mailto:john.hranac@state.co.us)), (303) 692-3586 or Scott Garncarz ([scott.garncarz@state.co.us](mailto:scott.garncarz@state.co.us)), (303) 692-2374. The U.S. Army Corp of Engineers (COE) may also review these projects, under Section 404 of the Clean Water Act, and a list of their current public notice can be found on their web site.
