

**STATE EMBLEMS**

**Dear Highway User:**  
Perhaps you are traveling in Colorado on a vacation, or on business. Maybe you are a long-time resident. Whatever the reason for your travels, enjoy the beauty and diversity of Colorado. From the low elevation of 3,300 feet along the Arkansas River east of Holly to Mount Elbert which rises 14,433 feet above sea level, our state offers you beauty soft as the petals of a prairie flower or stark as the gnarled trunk of a bristlecone pine shaped by decades of mountain wind.

I hope you will take the time to enjoy Colorado's rich cultural traditions. I also urge you to drive with courtesy for your fellow motorists on rural roads and city streets alike.

Richard D. Lamm  
Governor
