Dear Highway User:

This 1987 official state map offers you more than just a patchwork of lines showing highways and roads. It has information about points of interest, ski areas, national parks and state recreation areas along with insert maps for major cities.

Whether you travel for commerce or recreation, take the time to recognize the varied agricultural, mineral and natural resources Colorado has to offer. Also take the time to drive with courtesy for fellow motorists.

If your travels are for business, may they be profitable. If for recreation, may they be enjoyable.

Cordially,

Roy Romer
Governor
