Under Colorado Law, children under the age of 4 are required to be in safety seats when riding in a motor vehicle. In addition, all drivers and front seat passengers must wear safety belts.

COUNTY ROADS often provide access to communities, and to scenic and recreation areas. Motorists planning travel in remote areas, particularly on unimproved roads like the one over Cottonwood Pass west of Buena Vista, are advised to make local inquiry concerning road conditions. On the state highway system, U.S. 34 (Trail Ridge Road) in Rocky Mountain National Park is closed in winter as is S.H. 82 east of Aspen over Independence Pass.

Dear Highway User:

This 1988 official state map offers you information about Colorado's network of roads, airports and rail lines. It also has information about points of interest, Colorado's spectacular parks and recreation areas, and ski areas.

Whether you travel for business or recreation, this map can guide you to the state's agricultural, mineral and recreational resources. From high plains to high peaks, and from central valley ranches to the Western Slope fruit orchards, Colorado offers you a great variety of scenery, lifestyles and people.

May your guests be profitable and your travels safe and enjoyable.

Sincerely,

Roy Romer
