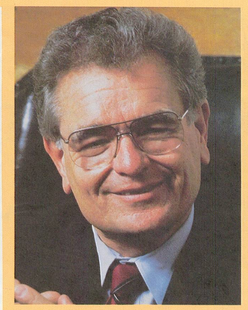
**UNDER COLORADO LAW,** children under the age of 4 are required to be in safety seats when riding in a motor vehicle. In addition, all drivers and front seat passengers must wear safety belts.

**COUNTY ROADS** often provide access to communities, and to scenic and recreation areas. Motorists planning travel in remote areas, particularly on unimproved roads like the one over Cottonwood Pass west of Buena Vista, are advised to make local inquiry concerning road conditions. On the state highway system, U.S. 34 (Trail Ridge Road) in Rocky Mountain National Park is closed in winter as is S.H. 82 east of Aspen over Independence Pass.

**SNOW TIRES OR CHAINS** frequently are required for use during winter storms or when roads are icy or snow covered. **FOUR-WHEEL DRIVE VEHICLES** with adequate tires for the existing conditions also are acceptable. Colorado State Patrol troopers, highway maintenance persons or regulatory signs may inform motorists when these requirements are in effect.



*Dear Highway Users:*

*This 1989 official Colorado state map offers you information about Colorado's transportation network, points of interest, spectacular parks and recreation areas and ski areas. It has been carefully designed to help you find your way in our state whether you travel for recreation or for commerce.*

*Colorado offers a great variety of scenery, lifestyles and people. It has fertile farm country and orchards, as well as 52 of America's 67 highest mountains. It has countless secluded lakes and park trails, drawing nearly 25 million visitors each year.*

*May your travels be safe and enjoyable, whether for business or fun. Take the time to enjoy the diversity which is Colorado.*

*Sincerely,*

*Roy Romer*
*Governor*
